GIANT OF THE AIRLINES. The seating in the new Boeing 747 jet airliner will be nine abreast, as shown here in a mockup. The purchase of 25 of these huge planes, capable of carrying up to 490 passengers, has been approved by Pan American Airways' board of directors. The 747 will have a gross weight of 680,000 pounds, more than twice that of the largest long-range jets now in service. (UPI Telephoto)

Pan-Am Due Jets Seating 490 Persons

Orders 25 At Cost Of \$525 Million; Due By End Of 60s

NEW YORK (AP) — A new era in long distance aviation will be ushered in by the end of the 1960s, carried at 45,000 feet on the wings of jets seating up to 490 passengers, some in staterooms.

Pan American World Airways Wednesday ordered 25 Boeing 747s at a cost of \$525 million, a figure the companies said represented the largest commercial aviation order ever placed.

The new craft is expected to sharply cut the cost of air travel. Juan Trippe, Pan Am chairman, said cargo and passenger costs would be reduced as much as 35 per cent.

The 747, about 2 1/2 times the size of today's largest jet, will cruise at 633 miles an hour, 10 per cent faster than present cruising speeds. It is subsonic — flying at less than the speed of sound.

When completed, the aircraft could become immediately competitive with maritime shipping in transporting some cargoes from continent to continent. But the announcement heralded also a future day of greater competition for the domestic passenger with rail and highway transportation.

The impact of the order, on which deliveries will begin in September 1969, was vast. Trans World Airlines, the only other United States transoceanic carrier, said it too is considering the Boeing 747.

The enormous plane will carry 214,000 pounds of freight, a capacity double that of existing planes. It will be the first plane capable of handling "highway size" shipping containers which have become standard on ships, rails and trucks.

The 747 will be capable of carrying 490 passengers in thrift class or 378 in mixed economy and first class. It will have a cruising range of 6,000 miles.

The subsonic 747 is not to be confused with the supersonic — faster than sound — aircraft on which Boeing and Lockheed aircraft have submitted plans to the government, nor the C-5A military transport which Lockheed is developing.

The over-all length will be 228 feet 6 inches; the wingspan 195 feet 7 inches; the gross weight 680,000 pounds compared with 333,100 for the Boeing 707.

Uranium Exploration Boom Due In Summer

GRAND JUNCTION, Colo. (AP) — An official of the Atomic Energy Commission has predicted a boom in uranium exploration this summer.

A.E. Jones, manager of the AEC Grand Junction office, made the prediction to 45 geologists from Colorado, Wyoming, Utah and Washington.

He said the increasing need for uranium in private reactors would cause the proportionate increase in prospecting and production of the metal.

One More Day!

Income Tax Returns Due Friday

WASHINGTON (AP) — One more day to go, and for the millions still struggling with Form 1040, the income tax men remind you:

Arithmetic — make sure it's right.

Social Security number — be sure you put it on your income tax form and get it right.

Name and address — type or print it clearly; if you have a refund, the Internal Revenue Service — IRS — doesn't want it coming back to them.

These are the most common causes for faulty returns, a tax man said today.

The IRS expects to collect 66 million individual income tax returns this year — roughly 2 million more than last year.

Knowing from experience the habits of the American taxpayer, IRS expected one-third, or 22 million to file their returns in the last two weeks.

However, as of April 8, the last day a count was made and only one week before the deadline, 43.8 million taxpayers had

sent in their return, leaving an estimated 22.2 million still doing their figuring the last week.

Returns must be postmarked by midnight Friday.

The hardest job is not filling out the tax return, IRS Commissioner Sheldon S. Cohen says.

"It is the maintenance of reasonably good records so that you can have the information available at the end of the year," Cohen told a House appropriations subcommittee recently.

As for that arithmetic, Cohen said the new master file system "enables us to verify more completely than ever before the mathematical accuracy of returns filed and to recompute taxes or refunds due."

It's a curious psychological factor, Cohen said, that errors in arithmetic run about 2 to 1 in the taxpayers' favor.

Last year, refiguring of mathematical errors brought in an additional \$194 million to the government and about \$94 million in refunds to taxpayers who had not expected them.

Covers 3 1/2-Year Period

State Examiner's Report On City Termed 'Routine'

A routine state examiner's report was filed today at City Hall covering an audit and investigation of the financial records and other data of all municipal offices for the three-and-a-half-year period from July 1, 1961, to Dec. 31, 1964.

The 106-page report was prepared by Harold L. Powell of East Liverpool, who made the investigation as an employee of the State Bureau of Inspection and Supervision of Public Offices. The agency is one of the branches of the state auditor's office.

The interval included in the report covers two and a half years of the tenure of former Mayor Bert H. Goodballet, who left office Dec. 31, 1963, and the first year in the term of former Mayor Merrill D. Hall.

The report lists only \$18 in so-called findings for recovery, both of which were settled during the period of the audit. One covered an underdeposit of \$16 and the other was an underdeposit of \$2.

The report is made up primarily of an exhaustive listing of all the cash on hand or credited to the accounts of the various departments and offices, along with lists of expenditures. In connection with virtually all the offices, it comments that their operations were handled according to the provisions of the state laws and city ordinances and that adequate, accurate records were maintained.

At least 95 per cent of the report is made up of figures ex-

plaining fiscal details, with 5 per cent or less of the report given over to text.

The report includes sections on the offices of the mayor, auditor, treasurer, safety - service director, solicitor, municipal court, income tax department, engineer, health department, Civil Defense and others.

There also are sections on bond retirement, the Board of Control, the water and sewage departments, street department, incinerator department and fire and police pension funds.

The report reveals that the city's general bonded debt at the close of the audit period was \$418,960.

The issues and the principal amounts were: City's share, Fisher Park sewer, \$6,800; highway improvement, \$118,000; new equipment and building, \$29,500; street resurfacing, \$11,250; fire department pumper, \$31,000; sewer system improvements, \$150,000; city's share, Beechwood St. improvement, \$4,410, and off - street parking, three issues of \$55,000, \$5,000 and \$8,000.

Bulk Of Soft Coal Miners Remain Idle

Some In W.Va. And Alabama Return; Strike In 4th Day

PITTSBURGH (AP) — Despite the return of work of coal miners in parts of Alabama and West Virginia, the bulk of some 50,000 strikers remained idle today as the walkout moved into its fourth day.

The strike flared early Monday over the failure of contract negotiators to write a new pact. It spread into eight states.

Miners have remained away from work in defiance of orders from the United Mineworkers Union to return.

The only report of disorder since the strike started occurred in Floyd County, Kentucky, where a truckload of coal was overturned.

Miners, who now earn a daily base pay of \$26.25, said they were left without a contract last Friday when the union signed a contract with three independent operators.

That pact provided a \$1.32 a day pay hike immediately, another \$1.00 a day starting next April and eight paid holidays.

Owners of the struck mines contend the current contract is an open-end affair and is still in effect.

New Bakery Now Planned For Chester

The Jiffy Steak Co. of Pittsburgh has leased the former Goddard Bakery Building in Chester and plans to open a new bakery within the next 60 to 90 days.

Frank Mangano, owner of Newell Central Service, reported that he and officials of the Pittsburgh company completed negotiations on a long - term lease for the facility at a meeting in his offices at Newell Wednesday night.

Mangano disclosed that he had purchased the Goddard Building on March 18.

Bus, Auto Involved In Midland Accident

A bus of the Tri - State Transit Co. and a parked car were involved in a minor mishap on Midland Ave., Midland, Tuesday afternoon.

The bus, driven by Harold Watson of 1074 Pennsylvania Ave., East Liverpool, was heading west on Midland Ave. at 2:11 when it was forced into a parked car owned by Anthony J. Acon of 1249 Avondale Dr., Industry, near the intersection of 11th St.

Midland police reported Watson said he was attempting to avoid hitting an eastbound auto that was passing another eastbound car. The investigation is continuing.

Senate Split Over Crisis In Viet Nam

In Discord Whether Political Situation May Force U.S. Out

WASHINGTON (AP) — Many senators disagree on whether the political situation in South Viet Nam may force the United States to pull out of the war.

Sen. John Sherman Cooper, R-Ky., told his colleagues Wednesday that if the South Vietnamese don't want to continue the war "It's obvious the United States should not do it for them."

Sens. Jacob K. Javits, R-N.Y., and Stephen M. Young, D-Ohio, felt that the possible fall of Nguyen Cao Ky's military regime may force a reassessment which could end with American withdrawal.

Sen. Robert F. Kennedy, D-N.Y., expressed belief at a New York news conference that "intensified military action north of the 17th Parallel is not going to be a substitute for the right kind of political action south of the 17th Parallel, in South Viet Nam."

He obviously was alluding to the B52 bomber raid on a North Vietnamese mountain pass.

Sen. John G. Tower, R-Tex., back from a six-day visit to Saigon, predicted Ky's government "can survive if it moves carefully."

In the same vein, Senate Republican Leader Everett M. Dirksen told reporters that the Buddhist-inspired turmoil may look more serious in Washington than in Saigon.

Sen. Thurston B. Morton, R-Ky., said in an interview he could see down the road the possibility that a new civilian government might bring about negotiations with the Viet Cong, even though the terms might not be acceptable to the United States.

Cooper, former ambassador to India, said the political unrest poses serious military, as well as diplomatic, problems. He said the struggle will withdraw Vietnamese units from battle and make it more difficult for Americans to defend themselves from such attacks as that of the Viet Cong on Saigon's airport.

Power Cut Off As Car Rams Utility Pole

Electric power to homes and police and fire radio communications were disrupted for a brief period in Wellsville early today when a car sheared off a utility pole on Cemetery Hill near the intersection with Buckeye Ave.

Police said Gerald Sargent of Wellsville R. D. 1 drove his car off the left side of the road, hit the pole and then slid over an embankment, coming to rest on Buckeye Ave.

Sargent told police he swerved left to avoid a collision with two cars headed down the hill. One was passing the other, he said.

The power in one section of the city was out for a while and the pole also carried the lines to the tower for the police and fire radios.

Sargent was treated at City Hospital for lacerations of the left knee and the inside of his lower lip.

Marines Launch New Operation; Kill 14 Viet Cong

SAIGON, South Viet Nam (AP) — Several thousand U.S. Marines opened a new search operation today in the rice paddies overlooking the South China Sea, while Air Force F105 Thunderchiefs caught a dozen trucks near the entrance to North Viet Nam's landslide-clogged Mu Gia Pass.

The Leathernecks killed 14 Viet Cong, captured five and took 67 suspects in tow at the outset of a multibattalion search and destroy operation 23 miles south of Chu Lai. The area has been in Viet Cong hands for years.

Ten Marines stripped to the waist and moved with pistols and flashlights through a network of tunnels where they seized 15 Vietnamese suspected of being Viet Cong. Some pajama-clad fighters were seen

fleeing the maze beneath the hamlet of An Hai a short time before.

The Air Force jets returned Wednesday to the strategic pass on the Laotian frontier, 230 miles south of Hanoi, where B52s dropped 1.4 million pounds of bombs on Tuesday in the first raid by the stratofortresses on North Viet Nam. Military sources in Washington said some of the big bombs were rigged with delayed-action devices to explode days later, thereby discouraging Communist road clearing work.

The Thunderchiefs spotted 12 trucks on Route 15 at the entrance to the bottled-up pass. At least four were destroyed, an Air Force spokesman said. He also said aerial photographs confirmed that the pass was

State Visit Looms Later

President Flying To Mexico City

SAN ANTONIO, Tex. (AP) — President Johnson flies to Mexico City today for a brief, informal stay that may be a warmup for a later state visit.

In advance of Johnson's afternoon departure, Robert H. Fleming, deputy press secretary, twice emphasized that the 24-hour trip is informal and that a possible state visit in the future is under consideration.

However, no effort was made to cloak White House hopes that the President's first visit to a foreign capital will draw a tumultuous crowd. Officials here quoted Mexican officials as predicting 1 million Mexicans

will line Johnson's 9-mile motorcade route into the city.

A traditional 21-gun salute and other formal military honors were prepared for Johnson's arrival this evening at the 7,000-foot-high Mexican capital. Airport speeches were being written both by Johnson and Mexico's President Gustavo Diaz Ordaz.

Mrs. Johnson, flying here from Washington to pick up her husband, will spend the night with him in Mexico's White House — the Los Pinos residence of Diaz Ordaz.

Iraq President, 9 Others Killed In Crash Of Copter

BEIRUT, Lebanon (AP) — President Abdel Salam Aref of Iraq, who survived repeated violent political upheavals in the past eight years, was killed Wednesday night in the crash of his helicopter 20 minutes after taking off from a political rally near Basra, Baghdad Radio announced.

The Iraqi Radio said Interior Minister Maj. Gen. Abdul Latif Daraji and Industry Minister Mustafa Abdullah also were killed in the crash near the Persian Gulf port.

Ten persons were aboard the helicopter, and all died in the crash, the radio said. Among them were the governor of Basra Province and the secretary-general of the presidential palace staff. All were burned beyond recognition except Aref.

Premier Abdel Rahman Bazzaz will be acting president until the Council of Ministers and the National Defense Council elect Aref's successor within a week, the broadcast said.

The councils are composed mostly of ranking army offi-

Vote Slated For Civilian Ruling Unit

Military Regime Decrees Balloting In 3 To 5 Months

SAIGON, South Viet Nam (AP) — Thousands of jubilant Buddhist demonstrators marched peacefully through Saigon today in a victory celebration after the military regime decreed elections for a civilian government in three to five months.

A ranking Buddhist leader said the junta's formal pledge "satisfies our main demands."

The willingness of the Buddhist hierarchy to accept the election pledge may mean the survival of the U.S.-supported military government until the nationwide elections. On Sunday, the Buddhists had demanded the immediate resignation of the junta.

When the Buddhist leaders received word of the decree, they at first called off a planned antigovernment march into the city and decided instead to hold a "meeting of good will" on the grounds of the Buddhist Institute on the outskirts of Saigon.

But as thousands of their supporters flocked to the compound in a carnival atmosphere, the Buddhists decided to stage the march as a "victory celebration." The marchers initially were only to go two blocks, but then the Buddhist leaders amended themselves again and let the huge throng walk on.

After walking through some main streets, the crowd made its way back to the Buddhist Institute at dark.

Scores of the marchers carried antigovernment banners they had brought out before the character of the demonstration was changed.

In contrast to the clashes last week between demonstrators and police and troops, police cleared the way for the marchers and held back watching

Slots, Liquor Are Seized In Newell Raids

In simultaneous raids early Wednesday night at Newell American Legion Post 114 and Shamrock Inn, Hancock County deputies arrested three and confiscated slot machines and liquor.

Six deputies participated in the raids staged at 6:45.

At the Legion home, Dewaine Staley, 49, was cited on charges of possession of gaming devices and sale and possession of alcoholic liquor.

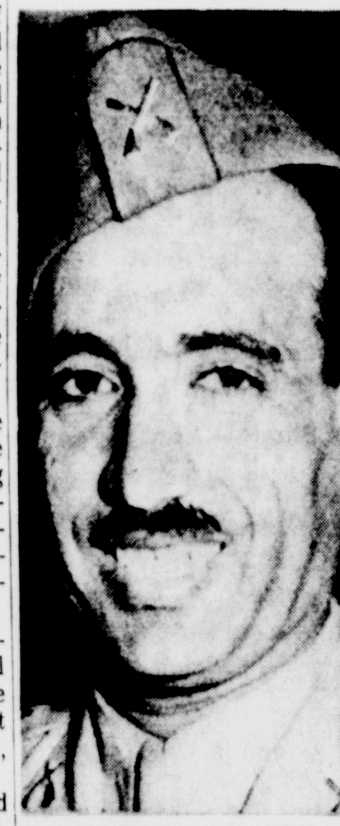

Staley posted a \$500 bond on the gambling charge and \$200 on the liquor violation for a hearing next Wednesday afternoon before Squire John D. Herron in New Cumberland.

Deputies confiscated six slot machines and 20 full and 9 partial fifths of liquor at the post home at 538 Washington St.

Cited at the inn at 5th and Washington Sts. were Delores E. McGillian, licensee, for possession of alcoholic liquor on licensed premises, and Vera Louise Wayne for sale of alcoholic liquor.

The licensee posted a \$200 bond and the waitress a \$20 bond for hearings Wednesday morning before Squire Herron.

Deputies seized three partially-filled bottles of liquor.

Girl Cited In Virginia

On Theft Of Car Here

A 17-year-old girl was taken into custody Wednesday night in Virginia on a charge of stealing an auto in East Liverpool yesterday morning, local police were advised.

The girl, a native of Virginia, was accused of taking a 1961 model four-door sedan while Edith A. Fone of 322 Summit Ln. reported stolen between 10:30 and 11 a. m. Wednesday from Avondale St.

The girl was taken into custody at Fairfax, Va., by Fairfax County police, officers were advised. The car was removed to a service station at Annandale, Va. Police said the girl previously had been residing temporarily with a relative at Chester. She will be prosecuted by Virginia juvenile authorities, officers here were advised.

The former clerk, the Rev. Eugene Carson Blake, is now clerk of the World Council of churches.

Tickets for the banquet are available from members. They also will be on sale at the door.

Planting And Care Of Roses Discussed At Mothers' Club

Slides of a flower show at King Estates in Mansfield and a discussion on the proper way of planting and caring for roses was presented by Leo Lawrence during the meeting of the Calcutta Mothers Club Wednesday afternoon in the all-purpose room.

Introduced by Mrs. Marie Savors, program chairman, Lawrence also screened slides of his prize-winning flowers. A question-and-answer period followed.

During the business session conducted by Mrs. Carol Hoppe, president, it was announced that election of officers will feature the May 11 meeting, when Standish Miller, superintendent of the Beaver Local Elementary School, will discuss the school system.

The group will serve a bowl-ling banquet May 5 at the Beaver Local High School. The president announced that the Calcutta Parent-Teacher Association will meet Monday at 7:30 p. m., with the first and second grade pupils presenting the program.

Mrs. Barbara Dray, secretary, gave her report and the treasurer's report. The meeting opened with the group repeating the Lord's Prayer.

Four Vehicles Crash In Fog

Three men were injured, none seriously, in a four-car collision early this morning on fog-shrouded Route 66 at Waterford Park.

Treated at City Hospital were Frank Orville Dressander, 49, of 753 Valley Ave., driver of one of the cars who received a pelvic injury, and Gerald Stewart of 1706 Idaho Ave., passenger in another auto, who was -rayed.

Leon H. Huff, 41, of 503 Jefferson St., Newell, suffered a mouth injury, but told investigating Hancock County deputies that he would consult his family physician.

Damages totaled about \$1,900 in the wreck which deputies said occurred as Dressander, headed north, was turning into the track and was hit almost broadside by a southbound 1960 auto operated by Walter H. Ladd, 53, of 1887 Bacon Ave., East Palestine.

Ladd's car was rammed from the rear by a 1962 car operated by Charles H. Chenoweth, 24, of 9th and Washington Sts., Newell, in which Stewart was a passenger. Chenoweth's auto then was struck by Huff's car, the deputies said.

Deputies said there was a heavy fog in the area of the crash. No charges were filed, they added.

Kay McKenzie and Carol Leatherberry presented demonstrations when the Highland Flingers 4-H Club met Monday night in the Highlandtown Grange Hall.

They showed how to make egg nog and how to use a hair roller when on a trip. Kay McKenzie presided. Projects were advanced. Lunch was served by Sherry Mills and Barbara Hogue.

Marsha Pisarsky will have devotions at the April 25 meeting in the grange hall. Chris Wilson will present a demonstration.

Navy Starts Viet Patrol Boat Warfare

WASHINGTON (AP) — The U.S. Navy has started river patrol boat warfare in South Vietnam and plans to have 160 machine gun-equipped craft ready to run down Viet Cong vessels by July.

Indications are this is only the beginning of a large-scale operation — the first of their kind for the Navy since the days of the American Civil War.

The first two of the Navy's new 31-foot fiberglass, water-jet propelled PBR's (patrol boat, river) began operating Sunday in river waters about 30 miles

southwest of Saigon. They halted and inspected 19 junks.

By summer the Navy will have scores of the high speed craft skimming along rivers which wind seaward through the rice-rich area below Saigon. The boats have a speed capability of 25 knots.

Thousands of junks and sampans traverse canals and streams interlocking the rivers — and many are Communist vessels hauling food and, to a lesser extent, arms northward to Viet Cong strongholds.

In an effort to choke this many-veined pipeline, the Navy is embarking on "game warden" patrols.

Already 750 men are being trained for what Rear Adm. Leroy V. Swanson, director of fleet operations, calls the initial phase of the operation. In Viet Nam the game warden patrols

are under operational control of Rear Adm. Norvell G. Ward, head of U.S. naval forces there.

The PBR has sparked enthusiasm among Navy enlisted men — perhaps mainly because they'll be in charge of running armed vessels for the first time. First or second class petty officers are being assigned to head the four-man crews.

All the men of five recent gunner's mate classes at the Great Lakes Naval Training Center in Illinois asked to serve on PBR's in Viet Nam, and virtually the entire operation will be manned by volunteers.

The boat is armed with one twin 50-caliber machine gun fore and a 30-caliber machine gun aft, but its job is basically to chase and search along main rivers — not engage in heavy battle.

Always One More Goblin

Everybody who smokes or knows someone who smokes has a vested interest in the outcome of a U.S. Public Health Service survey to find out why people continue to smoke when they know it is bad for them.

We have no notion what this project of wasted effort cost the federal government, but we are sure it could have been done cheaper by questioning a half dozen people who are still smoking after being told repeatedly it is bad for them.

It is the same reason they ride in autos, despite the possibility some fool may kill them, in all probability a drunken fool, or a vicious fool whose license has been suspended.

It's the same reason they go swimming and boating, though accident statistics make it clear these are almost as dangerous as sky-diving without inspecting the parachute.

It's the same reason millions of them nip at the cup that cheers, though the WCTU and similar organizations have warned them repeatedly against this.

It's the same reason men go hunting for wild game, defying the probability that some inept Nimrod with bad vision will mistake them for a rabbit and let them have both barrels.

It's the same reason most of us live in those tricky death traps called houses, where most accidents occur that maim and kill human beings.

It's because we are sure if it isn't one thing that is going to get us it will be another and we don't really believe glibly optimists who have been talking as if they thought we'd live forever if we quit doing all the things that are bad for us.

There's always one more goblin. Well, isn't there?

Partial Relief

While the simplest and most logical solution would be the permanent closing of all illegal spots in Hancock County's "Strip," such drastic action doesn't appear to be in the books, so Sheriff Rodak at least is doing the next best thing by ordering a crackdown on the teen-agers who have been frequenting the joints.

The temptation that the night spots offer to the district's young people is one of the most distasteful phases of the operation. Patronage by adults is bad enough, but when the teen-agers are permitted to get into the act the problem becomes even worse.

The situation has been the target of severe and justified criticism from time to time. If the joints are to continue to remain open, Rodak's crackdown on the juveniles at least should help eliminate one of the major headaches.

GOP Prospects

The House of Representatives may not have the color and popular prestige of the Senate, but over the years it has served as the substantial forge upon which national policies have been hammered out and shaped to the advantage of us all. That is why the national interest is best served when the House membership represents the best balance in our two-party system.

Two elections, in 1962 and 1964, gave the Democrats a top-heavy majority in the House.

In the months that followed the disastrous election in 1964 the Republican party seemed to have been gripped by a fatal decrepitude. Some were talking about a new alignment in the party system. But the climate in 1966 seems favorable to a substantial Republican recovery. I shall list the portents, so far as the House is concerned:

1. The image of Lyndon B. Johnson as an unparalleled political operator, which emerged after the election in 1964 and which was brilliantly illuminated when Congress obediently adopted his many programs in 1965, has faded measurably.

HIS SKILLS as a parliamentary leader served him well in getting legislation passed in 1965. But now, when the management of these programs faces him, his limitations as an executive become a serious matter. The talent available to organize and manage the many programs is scarce, and the President is not too skillful in inducing what talent there is to enter the public service.

The poverty program already is bogged down in a morass of waste and political corruption. Medicare may be another splitting administrative headache. And the big aid-to-education program looks more and more like a pork barrel for favored local interests.

2. The war in Viet Nam has created a strong minority in the Democratic party which opposes the President with increasing bitterness. The liberal wing represented by the ADA is reappraising its earlier estimate of LBJ. A very strong protest vote is likely in November which has no option except to benefit Republican candidates even though it has little in common with the GOP.

3. Inflation no longer is a threat but a reality. The economic law that upsets the balance between the money supply and the volume of purchasable goods cannot be repealed by any act of Congress or administrative adjustments. The party in power will suffer from the pinch in the housewife's budget.

4. **ONE MIGHT EXPECT** that higher prices of equities in the stock market. But uncertain-

A Bright Future

The future continues to look bright for the Kent State Academic Center here assuming naturally, that a favorable decision is forthcoming from the Ohio Board of Regents this week at Columbus.

Yesterday it was announced that a program has been set up by the City Hospital School of Nursing and the Kent branch for basic courses for student nurses and that an extensive remodeling of high school laboratory facilities will be undertaken to assist in the work.

And the over-all county picture was given a boost with word that the Salem Area Industrial Development Corp. has offered Kent "land and services at no cost."

The center assumes a more important role with each announcement of such expanded facilities.

ty about the market for money and business prospects later in the year is a powerful bearish influence.

One almost infallible sign of trouble is the reduction in outlays by advertisers in the national magazines. In the first three months of this year their volume of advertising, in space and money, was above the same quarter in 1965. But the prospects for April are not good.

5. The behavior of the Republican leadership in Congress has been very astute. It has strongly supported the Johnson policy in foreign affairs. But it has been actively critical of Mr. Johnson's domestic spending. And it has seized upon inflation as a 1966 campaign issue.

5. Since 1964 was such an abnormal year, a large number of experienced Republicans lost their seats in the House, many by very small margins. Those unseated Republicans have been in their home districts making new friends and cementing their relations with old ones.

Meanwhile, their Democratic successors, freshmen congressmen, have been living in Washington trying to learn what they can. Their votes have not been needed because of the immense Democratic majority, and so they have been neglected by their leaders.

THESE SUPERFLUOUS STATESMEN — 71 of the House membership — frozen in Washington because of the long session, are feeling the clutch of doom. Six months ago good observers believed that 25 or 30 would lose in 1966. Now the estimate is 50 or more. They came in on the Johnson coattails. Now they must run on their own meager record.

7. Redistricting in several states has given these new members reconstructed districts to capture. Under redistricting, more seats have been created in the suburbs and in the areas beyond the suburbs than in the central cities. It is generally Republican territory.

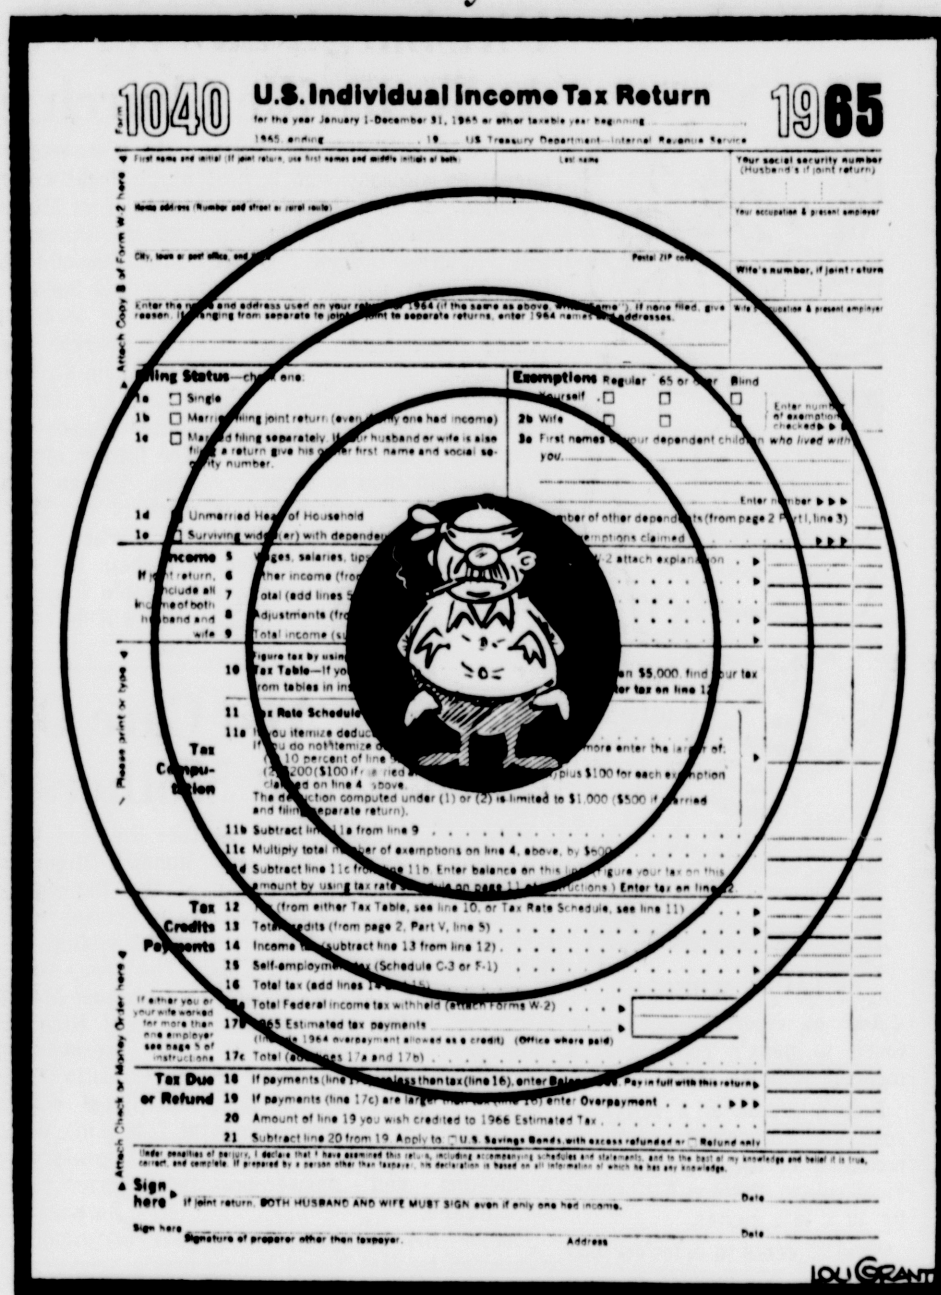

Thus, the GOP may well emerge in November with greater strength as an opposition party. While no miracles should be expected, the Republican party will, it now seems, make substantial gains.

Ready-Aim-

Scranton, Rocky Woo Labor

By Victor Riesel

The wheel has turned. Republican scions of legendary, wealthy families are wooing the new class — the politically influential labor leaders.

For months now, Nelson Rockefeller and William Scranton, each in his own bailiwick, have met or have had their colleagues meet privately with local union chiefs.

So successful have been these "dialogues" that National Republican Chairman Ray Bliss has been insisting that confidential reports of those off - the - record sessions become part of every Republican "big city leaders" teach-in.

Ray Bliss' labor specialist — who appears to be doing quite well in Pennsylvania — is the comparatively unknown "Pat" Giuliano, deputy Secretary of Labor and Industry (for Labor) under Gov. Scranton.

There are those who will disagree with Giuliano's politics, but who dare deny he had courage when for years he was an active Republican though an official of militant Mike Quill's Transport Workers Union. For four years Giuliano sat on the TWO International Executive Board under "Mike's" chairmanship.

GIULIANO BELIEVES he has the formula — and Ray Bliss agrees with him — for cracking the Democrats' hold on the labor movement's political machinery. In synthesis, it adds up to wooing the local labor leaders, who in many areas rarely share the limelight with the national labor officials, nor have they ridden the televised campaign trains, nor sat on the much-photographed daises at the great fund - raising banquets.

During his off - the - record talk to the big city Republican leaders' conference at Washington early in March, Giuliano reported that there had been three friendly meetings between Pennsylvania labor leaders — mostly from Pittsburgh and Philadelphia — and Gov. Scranton, State Chairman Truax and other state GOP leaders.

The governor attended the first such gathering with 19 union officials in the Harrisburg Hotel in Harrisburg, Pa. in February. Other Pennsylvania Republicans met with another 39 union men two weeks after that first session.

WHEN GIULIANO REPORTED on these meetings to Bliss' early March teach-in, he was buoyant:

Thoughts On Viet

WASHINGTON
When the full story behind the Buddhists' maneuvering in South Viet Nam comes out it may prove to be one of the slickest pieces of Machiavellianism in our time.

The Buddhists are trying to overthrow their government. The U.S. government doesn't seem well-informed on what's going on among the Buddhists and what's driving them or, if it is, it's keeping the information to itself.

For that reason no one seems able to say whether the Buddhists leaders are in a deal with the North Vietnamese Communists to seize the South Vietnamese government, ask the Americans to leave, and let the Reds take over.

IT MIGHT appear at first, if this is what the Buddhists have in mind, that they are operating on sheer gall since this country is backing the government of Premier Nguyen Cao Ky and has enormous forces in Viet Nam.

But they might be banking on something else to help them carry the day: divided American opinion.

When the history of these days is written the effect of what has happened here in the field of one of America's most prized possessions — freedom of speech — may appear as a strong factor in the Buddhists' thinking.

President Johnson's policy on Viet Nam has been under attack from many quarters in this country — particularly in the Senate and the academic world — and perhaps he can't gauge its full effect on him.

For instance: Would he have pursued the war harder, been less reluctant to bomb North Viet Nam more extensively if the critics weren't on his back? But any effect on Johnson is only

"We Republicans in Pennsylvania have been making great strides in working with local labor leaders. And we will go much further ... you can bet on that!"

"There are thousands of labor union people like me ... already registered Republicans ... or who are thinking seriously about joining our Republican party. Many of them are right in your own backyard."

"For the last 30 years some labor leaders have been bragging that all labor union people are Democrats. Take it from me ... that is a lot of bunk ..."

Giuliano told the big city leaders that the Harrisburg meetings were the first such sessions in 40 years. And there would be more right through the election campaign.

North of the border, up Albany way, Gov. Rockefeller has been building a labor "machine" of his own. His political mechanic is his old college companion and long-time labor adviser, the truly anonymous Victor Borella.

SOFT-SPOKEN BORELLA, a connoisseur of good cigars, wine and whimsical political stories, is so popular in some labor circles — especially the construction trade — he could probably get an honorary membership card and win an election in some union. There are few national labor leaders he does not know.

It's Borella who is heading up the Rockefeller labor "section." But much of the upstate traveling and door knocking will be done by Bob Gormley, who once worked closely with Pat Giuliano as the labor team for Dwight Eisenhower.

Gormley ran the labor desk at the Republican National Committee until Sen. Goldwater's people suggested he leave, since there was as much chance of getting labor leader support for Mr. Goldwater as for selling ice in the Arctic.

Nelson Rockefeller himself is a pretty good business agent when it comes to getting labor backing now. He is a do - it - yourself man on this front these days. He meets regularly in the Rockefeller Center dining rooms with the labor people.

He calls them by their first names, corresponds faithfully with them and briefs himself intensely on the most complex industrial problems so he can sit with them during discussions of new laws, manpower problems and automation forums.

These little - reported efforts of Rockefeller and Scranton to build up cadres of labor leaders are not meant to stop at the state borders.

The Hudson and Susquehanna are great rivers but there's something about the Potomac which still fascinates both liberal Republicans.

By James Marlow

part of the total possible effect of the criticism. For example: What has been the effect of Americans' criticism of their own government on the thinking of the North Vietnamese Communists about continuing to fight?

Or on the South Vietnamese Buddhists about their chances of overturning their American-backed government and getting away with it?

JOHNSON apparently has felt confident, despite the criticism, that he had the support of a majority of Americans for his Viet Nam policy.

But the criticism here at home could leave no doubt in the minds of the Vietnamese, North and South, that American thinking was divided not only about how to wage the war but even about continuing it at all.

For instance, Sen. Wayne Morse, D-Ore., said the American people are going to "repudiate this administration, and they should. You just can't justify our being in war over there."

He called the U.S. position in Viet Nam "shockingly immoral" and said if the South Vietnamese were ever to choose freely a Communist government, the United States should support it.

If you were a Vietnamese and heard that — and much more — you wouldn't be under any illusion that Americans were 100 per cent behind Johnson in trying to crush the Communists or at least force them to seek peace.

And if you were a Vietnamese, American division might seem to you a symbol of uncertainty and hesitation and therefore an inducement to action which otherwise might have seemed hopeless to you.

A Disgrace

By David Lawrence

Teen-Age Rioting Stirs Questions

The national capital is supposed to be the showplace of America. It's presumed to symbolize free government and the enjoyment of individual security — the highest ideal of a civilized society.

Something happened on Easter Monday which tarnishes the image of an orderly community. Hundreds of teen-agers from Washington rioted at a nearby amusement park, damaging property and looting some of the concession stands. Then the youths moved into the city, throwing rocks and bottles at windows of homes, businesses and cars. The residents of some of Washington's principal streets were terrified for nearly four hours while police sought to bring the mobs under control. Walter Gold, staff writer for the Washington Evening Star, in his story of what happened, said in part:

"Dozens of persons were injured, none seriously, during the four-hour disturbance. Property damage was estimated in the thousands, mainly to the amusement park. Homes and automobiles were stoned along both the county and city sections."

"Nearly 200 policemen from several jurisdictions combined forces to restore order. The rioters, turning on the officers, smashed windows of at least a dozen police cars and damaged two ambulances which were carrying injured persons. It was by far the worst and most widespread outbreak of violence in the Washington area within recent years. Police said the disturbance involved no specific inter-racial conflict."

THE AMUSEMENT PARK formerly was segregated but was desegregated in 1961. It now is largely patronized by Negroes, and on Monday the majority of the capacity crowd came by buses from Washington. When individual acts of misconduct and vandalism began to grow into mob action, the operators of the amusement resort shut down the park about six hours before its normal closing at midnight. This is believed to have angered some of the crowd, touching off the riot.

While most of the participants were Negroes, this does not explain the phenomenon for there have been riots in other cities where many whites have been involved.

The basic cause of it all is not just the passions that are aroused over racial questions. It's plainly the result of a feeling that has grown up that the "right to demonstrate" is absolute and that, if violence starts in a crowd, everybody may get into the fight in some way.

Why in many cities in free America is there so little respect for law and order, and why at any moment can mob action flare up without any cause whatsoever and threaten the lives and property of other persons?

Maybe it's because in recent years the courts have upheld the "right to demonstrate" and, even though disorderly conduct is involved, have found some excuse for omitting any punishment.

THE PRESS has been filled with stories of how the "civil rights" movement has been making progress because of demonstrations, and the idea has penetrated cities with large populations that there is an inherent right to express dissatisfaction by physical means.

Many of the preachers who ought to be telling their congregations how to behave are, in effect, inciting them to take part in riots and "demonstrations," irrespective of whether these result in violence.

The phrase "civil disobedience" has been interpreted widely as meaning that there now is a "right to riot" without regard to what damage is done.

Police officers are inhibited in trying to restrain the rioters. If they use force, they are accused of brutality. Indeed, many cities now have civilian commissions to pass judgment on the acts of policemen. This, in turn, causes individual policemen to hesitate to take drastic action, even when it is obviously necessary to use force to put down disturbance.

IT'S BEGINNING to be wondered how many more tragedies will occur before Congress wakes up to the fact that not merely the national capital but other American cities are being disgraced by violence on the part of teenage groups and others who feel that they have a right to disregard the law, rampage through the streets and commit acts of vandalism whenever they feel so inclined.

Maybe the time has come to worry less about how to buy votes with government funds and instead give primary attention to codes of obedience and disciplinary measures so that the rules of law and order will be respected.

Court Orders Man's Arrest

Municipal Judge Samuel M. Chertoff ordered a bench warrant for the arrest of Jerry McCuen of 4th Ave., LaCroft, who failed to appear for a scheduled hearing today on a charge of operating a motor vehicle without a driver's license.

The judge forfeited McCuen's \$57.50 appearance bond, but commented he feels the defendant should be compelled to explain his lack of a license. McCuen was cited this morning at 12:56 on E. 3rd St. by Patrolman William A. Devon, police said.

The judge decreed a fine of \$5 and costs for David A. Katz of 1618 Chester Ave., Wellsville, arrested Wednesday night at 9:50 on a charge of riding a motorcycle the wrong way on a one-way section of Washington St. between E. 5th and E. 6th Sts.

Hearings are set later for two motorists cited Wednesday by the State Highway Patrol.

John H. McCauley, 39, of 600 Broadway, Wellsville, is slated to appear Friday at 9 a. m. on a charge of speeding 60 miles an hour in a 50-mile zone on Route 7. He was cited at 9:30 a. m. yesterday.

Robert J. Haney of Hoffman Estates on Route 267 will appear next Wednesday at 9 a. m. on a charge of halting a motor vehicle on the paved portion of a highway.

Haney was cited on Route 7 at 9:40 a. m. yesterday. The patrol said he had halted a vehicle in a passing lane while talking to the driver of a truck which was parked off the highway.

Examination Set By Post Office

The Civil Service Commission has announced an examination will be held for the combined substitute list for the position of clerk and carrier for the Wellsville post office.

There are openings on the list for both positions. The starting pay is \$2.57 an hour, with annual salary increases up to \$6.207 and then periodic three-year increases up to \$7.062.

Retirement and health benefits are offered, along with life insurance, vacation and sick leave plans, paid holidays and uniform allowance. There is no maximum age limit.

Applications may be obtained after Monday at the post office, according to Postmaster Elmer J. Evans. The cutoff date is May 2, although further applications will be accepted after this date.

Applicants will be informed as to when the examination will be held.

Professor Will Speak At OSU Alumni Event

Dr. Jack Frymier of the College of Education will be the speaker at the Southern Columbia County Ohio State alumni dinner Tuesday at 6:30 p. m. at the East Liverpool Country Club.

He joined the faculty in October 1962 and is a specialist in curriculum research and in the study of academic motivation.

Born March 15, 1925, in Albion, Ind., Frymier attended the University of Miami, Fla., and received the bachelor's and master's degrees in 1949 and 1950, respectively. He was awarded the doctor of education degree by the University of Florida in 1957. He held university fellowships while working toward both of his graduate degrees.

Frymier served three years with the Army during World War II and two additional years during the Korean War.

He began his teaching career as an instructor at the University of Miami in 1950 and then continued as an instructor after the war until becoming a teacher at the University of Florida laboratory school in 1954. In 1957, he accepted a position as assistant professor at Temple University and in 1959 joined the Auburn University faculty as an associate professor.

Prior to joining the Ohio State faculty, he was director of instruction for two years in Orlando, Fla.

Active in professional organizations, he is a fellow of the American Association for the Advancement of Science and holds memberships in the American Education Research Association, the National and Ohio Education Associations and the

Storm Drain Planned Midland's Council OK's Street Funds, Cruisers

Midland Council allocated funds for the resurfacing of six streets, the construction of a storm drain on 3rd St. and the purchase of two new police cars during its meeting Wednesday night at the borough building.

Total cost of the street repairs will be \$10,654. Included will be two sections of Virginia Ave. from 12th St. to 13th St. and from 13th St. to the dead end; Elm St. from Beaver Ave. to Ohio Ave.; the entire circle in Midland Heights; Woodlane Ave. from 4th St. to 5th St.; and two sections of Railroad Lane from 4th St. to 5th St. and from 10th St. to 11th St.

The storm drain on 3rd St. will cost \$3,800 and will be built as soon as the water line which currently is being installed to service a booster pump to the Crucible Steel Co. is completed.

The appropriations for the street repairs and storm drain were approved on the recommendation of the borough engineer, Richard Baker Jr.

The police cars will be purchased from the Midland Ford Co. and Midland Auto Parts. Council approved the purchase of a 1966 Ford at a cost of \$2,750 and 1966 Dodge at a cost of \$2,800. Both prices include trade-in values on the 1964 cars now in use.

Council turned proposed plans for the resurfacing of the swimming pool parking area and the installation of a storm drain under the borough park over to the Street Committee and the borough engineer for further study.

Mayor Eli G. Corak reported that a new traffic pattern has been established in an effort to speed the flow out of the west end of the community.

"Police officers have been stationed at Spring Lane, 3rd St. and 7th St. in an effort to lessen the traffic jams that have formed during change of shifts at the Crucible Steel Co. This plan of manual traffic regulation will be tried for a few weeks to test its effectiveness."

Viet Nam

completely blocked by landslides.

The mountain roadway links up with the Ho Chi Minh Trail in neighboring Laos, the major infiltration route to South Viet Nam.

In the south, Air Force and Navy jets set off three secondary explosions followed by 11 more blasts in 90 sorties against what appeared to be a Communist ammunition dump 65 miles northwest of Saigon.

For the first time in the war, the number of South Vietnamese troops killed in a week of fighting dropped below American battle deaths. This was considered a reflection of the diminished activity of government troops during the political crisis.

The U.S. military command announced that 95 Americans were killed, 501 wounded and four missing in action in the week of April 3-9 compared with 101 killed, 690 wounded and nine missing the week before.

The new casualty report increased American combat deaths to 2,505 and the number of Americans wounded to 15,228 since January 1961.

A Vietnamese spokesman said 67 government troops were killed and 204 missing last week compared with 155 killed and 26 missing the previous seven days. The government does not disclose its wounded figure.

Australian, New Zealand and Korean forces listed a total of 15 men killed and 25 wounded last week as opposed to the previous week's toll of 18 killed and 51 wounded.

Communist losses were put at 785 killed, a decline of 177, and 140 captured, an increase of 67. Allied officials make no estimate of enemy wounded.

There were indications that the destruction wrought by a Communist mortar attack on Saigon's Tan Son Nhut Airport early Wednesday was more serious than announced by U.S. officials.

Military sources said 23 helicopters were damaged and that as many as a dozen probably would be written off as total losses. U.S. authorities initially announced that four planes — two U.S. C123 armed transports and two Vietnamese C47 transports — were destroyed and several other aircraft were damaged. The tank still smoldered today.

No significant military operation was reported by Vietnamese forces, but a spokesman for South Korea's Tiger Division said it killed 292 Viet Cong in an 11-day campaign in the coastal area northwest of Qui Nhon, 270 miles northeast of Saigon. The sweep ended Wednesday.

U.S. Marine units at Da Nang reported a number of skirmishes with isolated Viet Cong squads as the Leathernecks sent out patrols north of the city. One Marine platoon laid a night ambush and caught an armed Viet Cong leading 20 to 30 unarmed men. The leader was shot and the others fled.

North Viet Nam denounced the B52 raid on the Mu Gia Pass. The official newspaper Nhan Dan said the use of the big bombers was "only fanning the flames of hatred now raging in the heart of the Vietnamese people."

Directors Hold Meeting

Midland Chamber Plans Mother Of Year Contest

The board of directors of the Midland Area Chamber of Commerce launched plans for a Mother of the Year contest during a meeting Wednesday night at the McGeehan Agency.

The contest will be held for mothers of students in the Midland elementary and parochial schools, with each student being asked to submit a 50-word or less essay explaining why his mother should win the honor.

The winning mother will receive a bouquet of flowers and a gift from the chamber.

The members of the contest committee are Paul McGeehan, William Verzella, Lester W. Smith Jr., A. L. Breakiron and Earl Rankin.

The directors also discussed the recent renovation programs that have been completed by the Gibson Flower Shop, Lester's Bakery and Smith's Dairy.

Also included in the discussion were proposed renovation plans of Martell's Mens and Boys Haberdashery, Verzella's Service Station and CSAM Federal Credit Union.

New bylaws were distributed to the members by Fred G. Wilton, chairman of the bylaws committee. Action is due on them at the next meeting May 11 at the McGeehan Agency. Smith will preside.

crowds as the demonstrators moved slowly along.

The military chief of state, Lt. Gen. Nguyen Van Thieu, signed the election decree at the close of a three-day political congress called by the military junta to recommend ways to achieve the changeover to civilian rule.

The Buddhists softened their boycott of the congress by sending a lay observer to the final session. Premier Nguyen Cao Ky summoned the congress in April 3 in an effort to stem the rising tide of antigovernment demonstrations in Saigon and Buddhist strongholds in the north.

Indication that the Buddhists might be willing to take the government at its word came from two key members of the hierarchy.

Thich (Venerable) Tam Chau, the chairman of the Buddhist Institute, said in a public letter to the coleader of the recently formed antigovernment Buddhist Struggle Forces, Thich Thien Minh:

"The decree indicates that the government has agreed to some proposals asked for by the Buddhist people and also informed us that a national assembly will be formed in the near future.

"The Buddhist Institute wishes to inform all branches of the faith about this development. All demonstrations planned this afternoon should be called off, and a meeting held instead in the institute grounds to show our good will."

Ho Giac, the other coleader of the Buddhist Struggle Forces and director of lay affairs for the Buddhist Institute, said the military government had "satisfied our main demands."

"The main point of the Buddhist struggle was for general elections as soon as possible," he added. The government decree will give us these elections in the next three to five months. Therefore, our main aims have been met."

Varied Awards Made To Bethany Students

BETHANY, W. Va. — James P. O'Rourke of Weirton Bethany College senior and communications major, today was named winner of the Francis O. Carfer award at the school.

O'Rourke was among several students paid tribute during the annual honors day observance.

The Carfer prize, presented in recognition of creative contributions to campus and community life, was named in honor of the late Francis O. Carfer of Buffalo, N. Y., Bethany graduate and trustee for 29 years.

O'Rourke has served as president of the Student Board of Governors, Board of Communications, co-chairman of the College Council and chairman of the school Social committee.

Roger B. Meillon, senior, of Beaver, Pa., received the Chapman History prize as the student who has most distinguished himself in the field during 1965-66.

Post-Prom Party Tag Days Set By Midland Committee

Plans were completed for the post-prom party tag days Monday and Tuesday when the Midland Post-Prom Committee meet Wednesday at the USW Local 1212 Hall.

Mrs. Milan Kusanovich, publicity chairman, announced that Mrs. Lester Barr and her committee will be in charge of the tag days.

The post-prom party will be held following the Junior-Senior Prom May 20, with music to be provided by George Goodman and the Headliners and the Napoleonic Warriors.

Carl Banks will be the disc jockey.

All entertainers will be from Pittsburgh.

Mrs. Clarence Sinneway presided last night, with 20 members present.

Each person donated \$1 during a bakeless bake sale. The money will be used for the post-prom affair.

Mrs. Grover Epley has been named food chairman.

Mrs. William Marcum will serve as dining room committee and decoration committee chairman.

The Post-Prom Committee will meet April 27 at 7 p. m. at the USW hall. Joseph D'Alesio will preside.

Raymond Stowitzky, guidance counselor at Midland Lincoln High School, was a guest.

Johnson

(Continued from Page 1)

dies of the two countries planned an evening together before Friday's formal ceremonies — a Johnson wreath-laying at the monument commemorating Mexico's independence and the unveiling of a statue of Abraham Lincoln.

The \$150,000 bronze statue was financed by the U.S. government as a gift to the Mexican people, to symbolize principles binding nations of the hemisphere.

Mrs. Johnson will pull a cord for the unveiling, which will come on the 101st anniversary of Lincoln's assassination.

Originally she and Secretary of State Dean Rusk were to head the American delegation at the ceremony but the President announced Tuesday he would make the trip and, of course, he immediately became the focal point of the occasion.

The First Lady and Rusk, however, will remain in Mexico for an additional 24 hours after the chief executive's return to his Texas ranch late Friday afternoon. Mrs. Johnson will rejoin the President in Texas Saturday for the weekend. They are expected to return to Washington early next week.

This will mark the first presidential visit to Mexico City since John F. Kennedy went there in 1962. He got a rousing welcome on the scale forecast for Johnson. Every president starting with Franklin D. Roosevelt has visited Mexico's capital.

The Texas White House said Johnson, in his private talks with Diaz Ordaz, would discuss — among other things — trade between the two countries and the controversy over use of Mexican labor on some farms in the United States.

Timbuktu, the fabled Sahara city once jealously guarded against Europeans, still sharpens its daggers for infidels, but only to sell as souvenirs. The most romantic town in the African republic of Mali, Timbuktu has dwindled into a minor trading center, but spruced-up hotel facilities refresh visitors delighting in its mud houses, minarets and camel caravans.

Copter

cers. Aref's brother, Gen. Abdel Rahman Aref, is chief of staff of the army and had been considered a possible successor to the presidency. The general is in Moscow as the head of a visiting military delegation.

Diplomatic observers in London said Aref's death seemed likely to set off furious political infighting, and perhaps worse, over the succession. Baghdad Radio said a curfew had been proclaimed from noon today until further notice. It asked the people "to be steadfast in the face of this national disaster."

Aref was 45. Since the military made him president in February 1963, he had maintained a precarious dominance over his country's bitterly feuding political and religious factions.

A Pan-Arab group wants Iraq to unite with President Gamal Abdel Nasser's United Arab Republic while a rival nationalist faction is against giving poverty-stricken Egypt access to Iraq's huge oil revenue.

While Aref favored union with Egypt and once signed a military cooperation pact with Nasser, the Egyptian president in recent years has reacted cautiously toward such a move. The two agreed it should be carried out over a long period of time but little was done to achieve it.

Aref's regime also was plagued by a conflict between two Moslem sects, the Shias in the south and the Sunnis in the north, and by the four-year-old rebellion by Kurdish tribesmen in northern Iraq who want independence from Baghdad.

'Twas A Great Day

NEW YORK (AP) — The Long Island Rail Road became the Long Ireland Rail Road for just one day, in honor of St. Patrick's Day. In celebration of the event the pink lights in the breakfast-bar cars switched to Kelly green and coffee and Irish was served instead of the usual coffee and Danish. Attendants wore white jackets dipped in green and green derbies in place of their usual orange outfits.

2 Vehicles Hit On 3rd St. As Car Swerves

A spilled soft drink was blamed for a mishap Wednesday night on E. 3rd St. in which a woman's car swerved out of control and struck a parked truck and auto, police reported.

The 1963 model convertible driven by Mrs. June E. Fineman, 31, of 1037 Hazel St. struck a 1949 model three-quarter ton pickup truck owned by Dallas Moore of 313 E. 3rd St. and a 1963 two-door sedan owned by Walter C. Everson of 319 E. 3rd St., police reported.

The mishap was timed at 9:41 p. m. about 150 feet west of Broadway. Mrs. Fineman reported she was driving west at 15 miles an hour when a soft drink in her auto spilled. As she sought to reach the spilled drink, the car hit the two parked vehicles, she reported. The crash damaged the right side of her auto the left side of the two parked vehicles.

A collision on a drive-in restaurant lot on E. 3rd St. Wednesday at 1:33 p. m. damaged a 1966 station wagon driven by Patricia A. Robinson, 29, of 343 Ogden St. and a halted 1963 sedan of Dwight A. Baker, 29, of Grafton, W. Va., officers said. The local woman was backing when her car struck the West Virginian's auto, police said.

Meanwhile, a report was filed Wednesday afternoon on a hit-skip crash between 11 p. m. and midnight Monday. An auto damaged a wire fence and a wooden post on property owned by Mrs. Jean Bell of 719 Chaffin St., officers said. The woman said she heard a crash, but by the time she got outside the offending auto had disappeared.

Church Brotherhood Makes Contributions

Several donations were made during the meeting of the Men's Brotherhood of the First Christian Church Wednesday night in Memorial Hall. Albert Kell, president, presided.

The group contributed \$40 to the church youth camp to be held July 4-9 at Tomlinson Run State Park, \$10 to the mother-daughter banquet on May 5 and \$10 to assist in painting the outside steps of the church.

Opening prayer was led by the Rev. Harvey Schondelmayer.

Refreshments were served 12 by Walter McSwegin and Wesley Hobbs.

The next meeting will be May 11 at the church.

Hospital Treats Four Here In Emergencies

Three men injured at work and a woman hurt at home were treated Wednesday at City Hospital.

Everett Shaw of Dresden Ave. Ext. had a piece of steel imbedded in his right hand while working at the Homer Laughlin China Co.

George Cox of New Cumberland R. D. 2 suffered contusions of the right forearm when bricks fell on him while he was working at the Globe Brick Co.

Paul Ingram of Rogers R. D. 1 fell while working at the American Vitrified Products Co., suffering contusions of the left elbow.

Mrs. Catherine Greenwood, wife of Sumner Greenwood of Georgetown R. D. 1, ran a splinter in her right middle finger while working at home.

Rig Hits Guard Rail After Making U-Turn

A tractor-trailer rig driven by a West Virginia man struck a guard rail as he was attempting to make a turn on Route 30 at the East Liverpool city limits in California Hollow at 4:45 a. m. today.

The Ohio Highway Patrol at Lisbon said the rig was driven by Elden E. Reed, 27, of Ellenboro, W. Va. He was headed north on Route 30, when he realized he wanted to go in the other direction.

Reed then made a "U"-turn through a crossover opening to head back east and the left front tire of the trailer struck the guard rail. Two 12-foot sections were bent and one post was broken, officers said.

Ohioan One Of Two Cited In Coins Theft

HUNTINGTON, W. Va. (AP)—Two men, including one from Ohio, have been charged with the theft of a Huntington, W. Va. man's coin collection valued at \$6,000.

They are Perry Edward Bennett, 39, of Chillicothe, and Ralph Lester Fraley, 46, of Greenup County, Ky., and Tampa, Fla.

Both are held in Lexington, Ky., awaiting extradition to Tampa where they are wanted in connection with the theft of a \$50,000 coin collection.

Italian Government Honors Onetime Resident Of City

Michael Sinicropi of Weirton, who was born in East Liverpool, recently was conferred the title of "Grand Knight of the Republic" by the president of Italy.

Sinicropi was informed of the award in a telegram from Antonio Giudice, Italian consular agent at Charleston.

In part, it said: "I have the honor to inform you that the president of the Republic of Italy has bestowed upon you the honorary title of 'Grand Knight of the Republic' in recognition of your merits and efforts in creating better relations between the people of the United States and the Italian people."

Please accept my sincere congratulations and best wishes."

Sinicropi was born here Aug. 11, 1925. He left for Italy with his American-born mother and Italian-born father when only four years of age. He remained in Italy until 1947, when he decided to return to the United States.

A coal analyst for Starvaggi Enterprises, Sinicropi serves as vice president of the Hancock County Planning Commission and as general chairman of the Hancock County Heart Fund Association.

He is married to the former Theresa Germano. They have a daughter, Celeste, 17.

LaCroft PTA Dinner Event Attracts 120

More than 120 attended a smorgasbord dinner Tuesday night at the LaCroft School under the sponsorship of the LaCroft Parent-Teacher Association.

The Rev. B. E. McDonald of the LaCroft Church of the Nazarene gave the invocation.

Mrs. Ida Karcher and Mrs. Janet Poole were dinner chairmen. Assisting were Mrs. Agnes Cermak, Mrs. Norma Mason, Mrs. Pat Barnhart, Mrs. Starr Lynn Sisley, Mrs. Edna McCoy, Mrs. Peg Copestick and Mrs. Jane Scott.

A brief business meeting fol-

lowed the dinner, with Thomas Scott, president, in charge. Mrs. Verna Thorne gave the secretary's report and Mrs. Juanita Van Fossen the treasurer's report.

Entertainment was provided by the Four Souls from East Liverpool High School — Dan Morgan, Dave Burcham, Mike Duffy and Bob Fannin.

Election and installation of officers will be held May 10, with Dr. Stephen Sinclair guest speaker.

Printing Firm Operator Dies In Portsmouth Fire

PORTSMOUTH, Ohio (AP)—The operator of a Portsmouth printing firm died early today in a fire that destroyed the plant and caused damage estimated at \$100,000.

The victim of the fire was Sam Wallace, 46, operator of the Kah Printing Co. in the heart of the downtown area.

The printing plant was housed in a two-story frame building, and after firemen controlled the blaze they found Wallace's body in the kitchen of his second floor apartment.

Fire Chief Anton Staker said it appeared the fire was caused by a defective gas space heater at the rear of the printing plant on the first floor.

Board Advances Plans For Building Program

MIDDLETON — The Fairfield-Waterford Board of Education advanced plans for its building program during a meeting Wednesday night at Crestview School.

The board discussed the proposal with Robert Beatty, East Liverpool architect, and another meeting will be held with him next Tuesday to prepare for the advertising of bids for construction.

IN OTHER business, the board announced it also will interview applicants for the position of head football coach at the Tuesday night session.

David Habberger, high school principal and coach, resigned his coaching duties at a special meeting April 7. He will continue as principal and has been asked to serve as assistant coach.

The board also will consider teachers' contracts at the special meeting.

The board received approval for a Title I program for reading for students in the first through eighth grades who are below the average level. Some 40 students and four teachers will take part in the six-week summer program. A total of \$7,304 in federal funds has been allotted for the project.

Approval also was received for the purchase of \$1,934 worth of library books under a Title II application. The books will be for the junior high library at Fairfield.

A vocational home economics program will be started during the fall term. The board has applied for permission to conduct an occupational work experience program whereby the students will attend a half-day session and work the other half.

Mrs. Janet Keslar resigned as

secretary at Fairfield. Mrs. Vivian Fitzsimmons, former employee, was rehired. She will serve at New Waterford school and Mrs. Martha Hawkins will move from Waterford to Fairfield.

The board voted to change to Daylight Savings Time April 24.

BIDS ARE being sought on two 66-passenger school buses and will be accepted until noon, EST, May 11.

A program on sex education will be presented during a meeting of the Crestview PTO Monday night.

The Athletic Boosters will meet Tuesday night, with James McBride, county superintendent, guest speaker.

The PTO variety show will be May 6 at 8 p. m. at the Fairfield building.

A Music Boosters appreciation banquet for students will be held May 9 at 6:30 p. m. at Crestview. A covered dinner will be served. Student awards will be presented.

Dance Nets \$500 For Heart Fund

EAST PALESTINE — Some \$500 was contributed to the Heart Fund research program as the result of the benefit dance held Tuesday night at the Rollerena near Unity.

The "battle of bands" was sponsored by Richard Keating, owner of the rink, who has held other events on behalf of the heart campaign.

A feature of the entertainment was dancing by Miss Candace Heasley of Struthers, a former heart patient who now enjoys a normal life through the help of modern medical techniques.

Meeting Held At McKinley

An auditing committee was appointed and plans were discussed for several contributions and activities during the meeting of the McKinley Home and School Association Tuesday night.

The committee includes Mrs. Freda Toft, Mrs. Keith Thomas and Harold Bricker.

The group set aside \$50 to purchase new equipment for the playground and \$100 for the sixth-grade party in May. A donation of \$50 was made to the Dollars for Scholars program.

The fifth-grade pupils will be recognized at an ice cream party for selling the most carnival tickets. Mrs. Richard Martin, project chairman, thanked the members for helping to make the carnival a success.

The members were reminded of a meeting to be held by the Child Counseling Center April 21 at Mary Patterson Memorial.

The meeting began with devotions by the Rev. John Stills of the Orchard Grove Community Methodist Church, followed by prayer and the flag salute.

During the business session conducted by Richard Martin, president, reports were given by Harry Simpson, treasurer, and Mrs. Harold Bricker, secretary.

Mrs. Charles Thomas Jr., program chairman, introduced Supt. Paul Blair, who discussed the "New Building Program." A question-and-answer period followed.

The attendance banner was won by Mrs. Toft's second and third grade.

Refreshments were served by the second-grade homeroom mothers, with Mrs. Charles Kinkous and Mrs. Andrew Worthing in charge. An Easter theme was used on the buffet table.

The next meeting will be May 10.

Wellsville Group Plans Activities

Activities for 1966 and 1967 was outlined during a meeting of the Wellsville Women's Civic Club Wednesday night at the Elks Lodge.

Mrs. Ethyl Stroble, president, conducted business. Donations were made to the Red Cross and Cancer Fund.

Final arrangements were made for a public card party Friday at 8 p. m. at the lodge.

Spring flowers and antique crystal candelabra were used in the table settings. Mrs. Doris McMorro and Mrs. Mary Carroll were in charge.

Hobbies will be discussed during the next meeting May 12.

Win Scholarship

These Oak Glen High School seniors have been awarded a four-year West Virginia University board of governors scholarship. E. Russell Slack, Oak Glen principal, announced today.

The students are Miss Rebecca Moon, daughter of Mr. and Mrs. William Moon of 836 Phoenix Ave., Chester,

and James Chetock, son of Mr. and Mrs. Joseph Chetock of 702 Chestnut St., New Cumberland.

The scholarship, which requires a high ranking academically, is one of the top awards granted by the university. Slack said. It is unusual for two students at the same school to receive the award in any one year, he added.

Catholic Church Gets \$2,000 As Gift From Women's Guild

The Women's Guild of the Presentation Church presented a check for \$2,000 to Fr. Stephen Burdis for the building fund when the Guild met Tuesday at the lyceum.

Guild and Christian Mothers officers were in charge of the meeting.

Mrs. John Kovarik, president of the Christian Mothers of the church, announced a communion breakfast will be held Sunday following the 9 a. m. Mass.

Twenty new members will be received and will be presented with membership pins. The membership drive will continue through Saturday.

Plans are progressing for the May Julep Time Ball which the Guild will sponsor May 7 at the Willows in Industry. Mrs. Anthony DiCiccio, president, is general chairman for the event, which will feature cocktails from 7 to 8, dinner at 8 and music by the Hi-Knights Orchestra for dancing at 9.

Mrs. John Reider is publicity chairman. Mrs. Albert Troiani is in charge of decorations and Mrs. Charles Schmitt and Mrs. Nick Stevenson are serving as program co-chairmen. Tickets are available from Mrs. Frank Migliore Jr., Mrs. John Haaf and Mrs. Robert Masters

Thief Splits Conduit, Takes Wire At Docks

A thief split a metal conduit and removed 600 to 800 feet of electrical wiring at the docks of the Ohio River Oil Co. terminal in East End, police were told Wednesday afternoon.

Albert Lencse, manager of the terminal, told officers the wires fed electricity to harbor lights required on the facility by the rules of the Coast Guard.

Meanwhile, officers reported vandalism at a home at 911 Princeton Ave. owned by the Veterans Administration. A padlock was broken off a door Monday night and the front door was broken open sometime Tuesday night, police said. Officers said the house is unoccupied.

Lawrence Brokaw Receives Promotion

Lawrence W. Brokaw, son of Mr. and Mrs. Lawrence E. Brokaw of 1064 Ephraim St. has been promoted to sergeant at Ft. Lewis, Wash., where he is serving with the 124th Signal Bn.

Sgt. Brokaw, team chief of the radio section of his platoon, entered the Army in October 1959. He spent 13 months in Korea and two years in Germany.

He was graduated in 1958 from East Liverpool High School and has been the recipient of several honors — the Company Soldier of the Quarter, Battalion Soldier of the Quarter and Regiment Soldier of the Quarter. He finished second as Division Soldier of the Quarter.

Chester PTA Has Meeting

Forty attended the Chester Primary Parent-Teacher Association meeting Wednesday night in the multi-purpose room of the school. Donald Theiss, president, presided.

A white elephant sale was featured, with Carl Minor auctioneer. The sale netted \$28.65 for PTA projects.

Plans were advanced for the annual spring festival June 4 at the school, with Mrs. George Hissam general chairman.

Harold Ossman announced that American Legion Post 121 is donating an American flag and a West Virginia state flag to the school.

It also was announced that Conference Day will be held Friday and pre-school registration will be held April 28 at 2 p. m., both at the school.

The attendance banner was won by the first grade taught by Mrs. Paul Pattison.

Refreshments were served by Mrs. Harold West and committee.

The next meeting will be May 11 at the school.

County Employs Caseworker For Welfare Position

LISBON — The Columbiana County Commissioners Thursday approved the hiring of Carol Keck of Columbiana as a caseworker Class Three for the County Welfare Department.

She was employed at the recommendation of Robert Bycroft, welfare director, for \$360 a month, starting Monday.

The commissioners also approved \$300 slag grants for Wayne and Hanover Townships.

The leasing of a home at E. Lincoln Way for the County Mental Health Clinic was approved. It will be leased from Harold Kepner for \$150 a month.

Various travel allowances were approved for county employees.

Bank Left Unlocked, But Nothing's Taken

BATAVIA, Ohio (AP) — They've got a lot of honest people in this Clermont County town.

The door of the Clermont National Bank was left unlocked all night Tuesday, but no one took anything from the bank.

The unlocked door was not discovered until Wednesday afternoon when a restaurant cashier sent her brother to the bank for some change, forgetting that the bank is closed on that day.

Local Store Completes Remodeling Program

Remodeling of the main floor level of the Bi-Low Discount Center at the corner of 5th and Washington Sts. has been completed, Robert Pickering of 817 Chester Ave., manager, announced today.

The project consisted of painting, installing panels and new lighting fixtures and adding extra shelf space.

In addition, wall-to-wall carpeting has been laid in the main store. "This is the first time I know of that anyone in our type of operation has modernized to this degree," the manager declared.

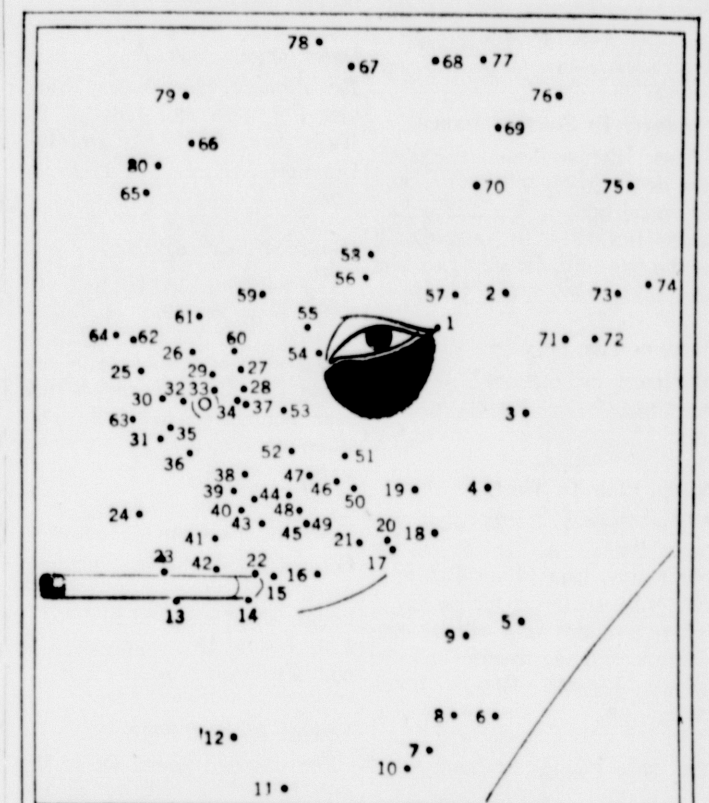

"We also have added another sales person to accommodate

the public, as we anticipate more business," he added.

Much of the work, which began about a month ago, was accomplished at night after closing hours. Contractors were Val Fersch of Park Way, painting; Sayre Electric Co., electrical; and Store Engineering of Youngstown, shelving and rug contractor.

"Our plans for the lower store level are indefinite at the present time," Pickering said.

NOTICE

To All Local Unions

Trades and Labor Council of East Liverpool, Ohio went on record to support Local Union No. 677, State, County and City Municipal Workers of East Liverpool, Ohio, requesting the East Liverpool School Board to recognize the Union as the bargaining agent for the non-teaching employees in the school system.

The Union organizes only public employees and has signed up, 30 out of 31 of the custodial staff, and the East Liverpool School Board rejected the Unions request for recognition at a board meeting held in February of 1966.

Due to State Law, the group that has signed up requesting Local No. 677 as their bargaining agent is not permitted to strike.

The one way the Labor Movement in this area can help this group is, to forward a letter to the East Liverpool School Board requesting, that the Board of Education of East Liverpool, Ohio, Public City School District of Columbiana County, Ohio, recognize and respect the rights of its employees to belong to, and be represented by, a Labor Union of their choice.

We urge that your Local Union, as quickly as possible, forward a letter to the East Liverpool School Board requesting recognition of Local Union 677 as the bargaining agent for these people.

Hoping you will comply with the request, I remain

Fraternally Yours

Expanded Service Set By Mental Health Unit

The Hancock-Brooke County Mental Health Society Tuesday night voted to expand the mental health services by employing Mrs. John L. Sullivan, psychiatric worker, for one more day a week, and Mrs. James Switzer as confidential secretary for one full day every Saturday.

The service offered by the society will be available three days a week. It includes medical and psychiatrically - administered programs, psychological testing and evaluation, a complete program of diagnosis and treatment and referral service to other treatment facilities. A flexible fee is charged for the services housed at Weirton General Hospital, where the meeting was held.

Members of the staff are Dr. Willard Schwartz, psychiatrist; Dr. Guy Frisk, psychologist, and Mrs. Sullivan and Mrs. Switzer.

George Tokash, guidance director at Weirton High School, discussed the state mental health program and its needs and guidance counseling in schools as a preventive to mental illness.

A member of the House of Delegates for two years, Tokash toured mental institutions in the state as a member of the hu-

mane institutions committee and House standing committee.

He summarized the findings of the committee and discussed the role mental health groups play in improving care of the mentally ill. A question-and-answer period followed.

Victor Greco, ways and means chairman, reported on plans for a fund drive to be conducted in the two counties by the society and Weirton B'nai B'rith Lodge 1658.

A goal of \$10,000 has been set for the drive, which will be held May 1-14. Greco and Margaret H. Levendorf will be co-chairmen. C. G. Tournay, president of the Weirton Steel Co., is honorary chairman.

Mrs. E. M. Clubb Jr., Emil Presley and Mrs. Switzer were named to the nominating committee.

Tokash and Mrs. Harold Borza were accepted as new members.

Donations were received from the Chester Junior Women's Club and Star of Valley Rebekah Lodge 73.

Amendment Vote Slated

WASHINGTON (AP) — An agreement has been reached for a Senate vote next Wednesday on Sen. Everett M. Dirksen's legislative reapportionment amendment. Opponents say they have enough votes to defeat the amendment.

The voting timetable bars any substantial change in the proposal which seeks to limit the Supreme Court's one-man, one-vote ruling by letting states take factors other than population into consideration in apportioning one house of a state legislature.

The saving clause was insisted on by opponents of the proposed constitutional amendment to guard against any last-minute surprise by Dirksen. The agreement provides that any proposed change will have to be submitted and acted on a day before the vote.

A similar amendment fell seven votes short of the necessary two-thirds majority last Aug. 4.

The Supreme Court ruled in 1964 that both houses of state legislatures must be apportioned solely on the basis of population.

Dirksen, the Senate Republican leader, spoke during Wednesday's opening debate on his proposed amendment.

U.S. Senator Tells

Story About Himself

SOMERSET, Ky. (AP) — U. S. Sen. John Sherman Cooper, R-Ky., recalls the time he almost got his first law case.

After graduation from Harvard, Cooper returned to Somerset and hung out his shingle.

In walked an acquaintance who explained that his car had been hit by another driver.

"He's got insurance and he was entirely at fault,"

The friend continued: "John, I want you to be honest with me. Tell me where I can get myself a good lawyer."

Health-O-Rama Plans Set In Beaver County

BEAVER — The United Funds of Beaver County, in cooperation with the Beaver County Medical Society, Beaver County government and various voluntary health agencies, has announced that the county's first Health-O-Rama program will be held May 26, 27, 28 and 29 at the Northern Lights Shopping Center.

The announcement was made at a Steering Committee meeting this week at the Broadhead Hotel in Beaver Falls.

The Health-O-Rama, which originated in Pittsburgh some seven years ago, is a massive health education and screening program. The program provides free health tests for diabetes, vision, hearing, anemia, and chest X-rays for enlarged heart, lung cancer and tuberculosis.

Height and weight also will be checked and more than 18 health displays will provide the public with information on various health problems.

Beaver County's Health - O - Rama is a pilot project. If successful, it probably will be held annually at different locations throughout the county. It is expected to attract more than 40,000 visitors and provide more than 20,000 free screening tests.

Directing the Health - O - Rama is a Steering Committee comprised of Edward A. Sahli Sr., chairman, Dr. J. W. Smith, treasurer, and Richard A. Fusco, secretary. Other members of the committee are J. Regis Meehan, Harold L. Roth, Dr. Kenneth E. Carlson, Dr. C. Robert Campbell, Dr. Victor I. Markson, Dr. John Martsolf, Dr. Edson R. Rodgers, Dr. E. C. Linn, Raymond Baldwin, Sister Mary Kieran and Wilson E. Tucker.

Dr. Edson R. Rodgers will be the Health - O - Rama medical director and chairman of the Medical Advisory Committee and M. Robert Cousin was named to head the Promotion Committee.

MOM GOT A MINK FROM HER NEW FLAME !

...AND DAD APPROVES.

Any new flame who passes out mink stoles doesn't have to be good-looking. But Mom's is.

Stands just under five feet tall. Strong, silent, dependable type; maybe a little on the square side.

And painted a wonderful color that just matches Mom's eyes.

Mom's new flame is her new Gas furnace. Every time she thinks of it she feels warm all over.

But about that mink. Dad figured it out: Gas heat costs about one-third as much as the flameless kind they had in their last house. Gas saves Dad up to several hundred dollars in heating bills every winter, thousands of dollars

over the life of the mortgage. And that's a mink stole or two, or a new car, or a college education in anybody's bankbook.

There's more to the Gas heat story. Gas heat is fresh-air heat, circulating filtered-clean air that whisks tobacco smoke and cooking odors out of the air so fast you hardly notice them. Modern Gas heat warms every room evenly, with no chance of chilly floors or clammy basements.

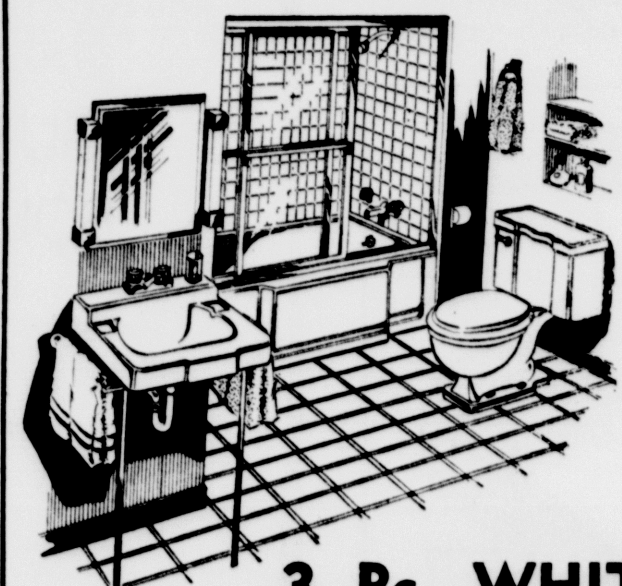

Next time you fall in love with a home you're building or buying, make sure it has Gas heat.

Think of all the things you can do with the money you save with Gas.

THINK OF ALL THE THINGS YOU CAN DO WITH THE MONEY YOU SAVE. GAS MAKES THE BIG DIFFERENCE.

90 Attend Cancer Fund's 1966 Campaign Kickoff

LISBON — Ninety attended the kick-off dinner of the Columbiana County Cancer Fund drive Wednesday night at the Hotel Wick.

Warren Parrish of New Philadelphia, eastern field representative of the American Cancer Society, spoke.

He pointed out the annual campaigns are not just drives for money, but also serve to educate the public about the disease.

"If we can get our material into homes, for educational purposes, to especially show the seven danger signals of cancer, we will have accomplished much," he declared.

Parrish said Columbiana County is fortunate in having Dr. Merle Singer's testing program at the Courthouse. Dr. Singer, county health commissioner, has the only operation in Ohio where the Pap test is given free to help detect cancer, Parrish said.

Galen Greenisen of near Salem, chairman of the county campaign, introduced the officers of the county chapter and the chairmen of the district campaigns.

Among those attending from East Liverpool were Postmaster Sam Brown and Harry McConville, city fund drive chairman. Brown is a past county chairman.

Mrs. Gwen Gallatin of East Palestine is chapter president.

McConville commented that the county goal of \$21,500 is a "realistic objective and can be achieved if everyone works together." He said volunteer workers are needed in the East Liverpool area, and anyone wishing to help can notify him.

Those wishing to send contributions to the drive may mail them in care of Postmaster Brown or directly to McConville.

Scout Council Slates 23 Awards At Annual Event

Service awards to 23 Columbiana Boy Scout Council adult leaders will be presented during the annual banquet next Thursday night at the Orchard Hill School in Leetonia.

The Council will present a special "Wood Badge" recognition to Dean Senanefes, Scoutmaster of the Lisbon Methodist Church troop.

To qualify, Senanefes attended a special course at the Akron Council Camp and completed two papers on the theory of Scouting. It takes three years to complete requirements for the award, John Thompson of East Liverpool, Council president, said.

The service award recipients will include:

Thirty Years — Arthur V. Smith and Jack Hovis of Salem.

Twenty Years — Donald Theiss of Chester and Robert Patchen of Columbiana.

Fifteen Years — George Beck, Charles McBride, Lester Hisson and Charles McKinnon of East Liverpool and Grant Culp of Columbiana.

Ten Years — Robert Bernstorf, Lou Landfried, Ralph Locke, Thomas Snow and Thomas Thornton of East Liverpool; William Beiteridge of Wellsville; Walter Esterly, Joseph Fittante and Charles Koch of New Waterford; Wilson Baughman, Darrell Filler, Leonard Filler and Charles Thompson of Salem, and Raymond Mackall of Columbiana.

12 Entries Reported To Date In Wellsville Poppy Contest

The names of 12 entries in the "Poppy Contest" were announced when the Auxiliary of American Legion Post 70 of Wellsville met Tuesday night.

For king, they include Mark Dickinson; Kevin and Betty Beresford; Kelly Powell, Billy Burns and Charles McKinnon. For queen, Marilyn Henthorn, Debbie and Barbara McCune, Sue Ellen Howell, Margaret and Vickie Brewer.

The contest will begin April 28 and close May 28, with the penny-a-vote for the contestants to be placed in canisters at various business establishments. Proceeds will be used for the Auxiliary's rehabilitation and child welfare program. The king and queen will reign during the Memorial Day parade.

"Poppy Day" has been set for May 28 in conjunction with the "Poppy Contest," according to Mrs. Pat Henthorn, chairman. Through the American Legion Auxiliary program more than \$300,000 is paid annually to needy and disabled servicemen and women who make the memorial flowers. All contributions received from Poppy Day go directly to aid disabled war veterans or members of their families.

The group elected Mrs. Eve-

lyn Dickinson, president; Mrs. Betty Maylone, first vice president; Mrs. Doris Ann Burns, second vice president; Mrs. Henthorn, secretary, and Mrs. Jean Kelley, treasurer. The officers will be installed May 10 by Mrs. Margaret McAdoo, past president. The installation will be preceded by a dinner at 6:30 at Meade's Restaurant.

Mrs. Bonnie Beresford, president, presided and Mrs. Phyllis Kauffman was accepted as a new member. A report was made on shoes and canned goods given a needy family.

Mrs. Wanda Dickey presented a foreign relations report on the Philippines. Donations of \$5 each were made to CARE, the American Red Cross and the Cancer fund. The sum of \$10.50 was sent to the Chillicothe Hospital for purchase of candy. The president named an auditing committee of Mrs. Dickinson, Mrs. Kelley and Mrs. Henthorn. The group has made arrangements to serve one banquet in April, seven banquets in May and one in June.

Mrs. Dickey received a prize. Eighteen attended. The Columbiana County Auxiliary will meet Tuesday at Lisbon, with new officers to be elected.

Music Marks Horace Mann PTA Meeting

Students from the fourth, fifth and sixth grades at Horace Mann School presented the program during the meeting of the Horace Mann Parent-Teacher Association Tuesday night at the school under the direction of Mrs. Marion Maola.

The fifth and sixth grade choir opened the program with a traditional French Easter Chant. Partner songs were used in the spiritual "Ezekiel Saw De Wheel" and "There's a Little Wheel a-Turnin'." Closing the first segment, the choir was heard in the Hebrew Chant, "Zum Gali."

Part II featured dancers from Czechoslovakia. Participating were Ann Hutchison, Corrine Wright, Jeff Mercer and Robert

Estell to the song "Whirling and Dancing."

Members of the fourth grade marched into the program on an imaginary route to Pretoria, South Africa. A stopover was made in the West Indies, where the class was taught a calypso song, "Tinga Layo." A wrong plane connection took the group to the Orient for the "Waters of China" and across the Blue Pacific for "Hawaiian Rainbows." A souvenir was presented to all the staff members from the 50th state.

Kevin Sanford and Mike McKinney were featured on "Vas is dis, Mein Son, Vas is dis," a humorous Pennsylvania folk song.

On Trinidad, Debbie Lowe and David Vorkapich were featured, accompanied by a calypso band.

The combined group closed the program with "America, Our Heritage" (Brahms Lullaby).

Investigation Goes On In Case Of Sgt. Smith

Naha, Okinawa — A decision on whether to try two U.S. Army sergeants charged with aiding Viet Cong jailers has been delayed by an "exhaustive impartial" investigation, a U. S. Army official said today.

Staff Sgt. George Smith of Chester, W. Va., and Claude D. McClure of Chattanooga, Tenn., were brought here Dec. 6 after being released from a Viet Cong prison camp Nov. 28 at Phnom Penh on the Cambodian-Viet Nam border.

Three weeks after their arrival the Army announced they had been charged with aiding the enemy — a charge which could bring the death penalty. Specifically, the charge said they had aided the Viet Cong

while prisoners by giving documents, statements and writings against the interests of the United States.

Lt. Col. Anthony Kamp, chief of information, said:

"It is recognized that the investigation has taken almost four months. However, it should be recognized that these men were in captivity two years and all aspects of their captivity and their behavior there must be inquired into as part of an ex-

haustive and impartial investigation which has been underway since charges were preferred.

"Final decision in the cases of these men will not be made hastily, but will be based on due consideration as a result of an investigation being made."

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: Three months ago my husband brought a trampy-looking girl to the house, introduced her as the woman he wanted to marry and asked for a divorce. I managed to keep my composure, although I thought I would die right then and there. I agreed to a divorce and they left.

The next day my husband came for his clothes, kissed the children goodbye and said I'd be hearing from his lawyer. I received no call.

In a week my husband was back—furious. He said I had let him down. He was shocked that I agreed to the divorce. He insists he gave me all sorts of signals to say "No" in front of the girl. Now he is begging to come home. He promises never to fail me again.

The children love their dad and need him but I can't get over the hurt and humiliation. If he could do such a terrible thing once, why couldn't he do it again? I need your counsel. —NOT RECOVERED.

Dear Not: Your husband sounds like a four-door, brass-plated heel but give him another chance.

And let this be a lesson to you, students. Men, like chil-

dren, don't want everything they ask for.

Agony And Ecstasy

Dear Ann: I'm a high school junior who thinks there must be something drastically wrong with me. I'm so envious of everyone I can hardly stand it. Although I get good grades and have won many honors I still get green when something good happens to my friends.

Yesterday my best friend won an essay contest. I couldn't have won it because I didn't even enter but when I heard she had won I was awfully unhappy. Naturally, I put on a false face and told her I was thrilled.

Why can't I be gracious and really rejoice when other people get honors?—HATE MYSELF.

Dear Friend: Maybe you hate yourself, but I like you —because you are honest.

Each of us is our own first choice for everything good that happens. This is normal but it's not realistic — because life doesn't work that way. Nobody can win everything all the time.

It will help you feel less guilty if you tone down the compliments when you are congratulating others. Be pleasant but don't go into

ecstasy about how "thrilled" you are.

Contents Noted

Dear Ann: I have seen several letters in your column over the years from people who want to know how to get rid of pesky relatives. It's amazing that this problem is so widespread because it means the gutty folks are taking over and the meek and the mild are trapped simply because they are meek and mild.

Why don't you tell people who are imposed on to use the Irvin S. Cobb approach? He said, "The best way to get rid of spongers is to say, 'You are getting on my nerves. Please get the hell out of here.'"

You'll probably be amused by this letter but I'll bet you won't print it.—Dr. W.G.R.

Dear Doc: I'm not amused and I hope you didn't bet your stethoscope.

Mr. Cobb's approach is one I recommend only if you want to get rid of the visitors permanently.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelope.

Democrats Open Talks In Columbus

COLUMBUS, Ohio (AP) — Democratic leaders from 14 states converged on Columbus today for the opening of their annual midwest conference on party strategy in this congressional election year.

Ohio Democratic Chairman William L. Coleman, host for the three-day sessions, said special attention would focus on efforts to reelect nearly 30 Democratic congressmen who defeated Republicans in conference states two years ago.

Highlight of the workshop sessions on campaign issues will be a banquet address Friday night by U. S. Ambassador-at-Large W. Averell Harriman. Conference states in addition to Ohio are Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Wisconsin, Missouri, Nebraska, Oklahoma, West Virginia and North and South Dakota.

Activities get under way tonight at an "ice breaker" reception with Columbus Mayor and Mrs. M. E. Sensenbrenner as hosts along with Mr. and Mrs. Coleman; Mrs. Helen Guntz of Van Wert, Ohio Democratic National Committee member; Albert S. Porter of Cleveland, Ohio National Committee member; and Warren H. Pate of the Ohio AFL-CIO.

The reception will compete for attention of newsmen with an earlier cocktail party sponsored by Republican State Chairman

John S. Andrews in advance of the annual Gridiron Show stage by the Press Club of Ohio.

Coleman said advance ticket sales for the \$50-a-plate banquet indicated that 600 would attend.

Proceeds of the fund-raising "gala" will go to Ohio as the host state, according to custom.

He estimated state headquarters would net about \$15,000 after returning at least \$10 a ticket to party headquarters in counties where they were sold. Earlier estimates ran double the net estimate.

The conference is the first for Ohio since 1957 when Toledo was the host city.

Arrest Of Four Cracks 5-County Burglary Ring

WASHINGTON COURT HOUSE, Ohio (AP) — A five-county burglary ring apparently has been cracked with the arrests of three young men and a 16-year-old boy.

Three Ohio sheriffs said Wednesday that all four face charges of burglary and receiving stolen property.

Charged in Madison County and jailed in London were James Wilson, 21, of Mount Sterling and Richard Williams, 19, of Grove City. Joseph Fitzgerald, 26, of Derby was charged and jailed in Circleville.

The 16-year-old boy was held at the Fayette County jail here and charged as a juvenile.

The quartet allegedly burglarized homes and stores in Madison, Fayette, Pickaway, Highland and Franklin counties during the past year.

Poppy Queen Contest Set

A Poppy Queen contest has been announced in conjunction with the Mary Poppy sale by Mrs. Delores Huff, chairman, and Mrs. Ileen Reed, co-chairman, members of the Auxiliary of Chester VFW Post 6450.

The contest will be conducted in Grant District of Hancock County, with girls in the first through sixth grades as contestants.

Any eligible student wishing to enter is to send a photo of herself and list information, including name, address, phone number, grade and school, to Delores Huff in care of VFW Post 6450, Carolina Ave., Chester, the chairman said. No photos will be returned, she added.

The winner of the contest, to be announced on Poppy Day, May 7, at 2 p. m. at the VFW post home, will be awarded a \$25 savings bond.

The contest will close May 3, when all photos must be in the hands of the committee, Mrs. Huff said.

Contest judges will be Chester Mayor Harry Abrams; the Rev. C. Donald Vogel, pastor of the First United Presbyterian Church in Chester, and Comdr. Sanford Graham, representing the VFW Post.

Dip sliced eggplant (as is or pared) in slightly beaten egg and seasoned fine dry bread crumbs; brown in butter. Serve with a tomato sauce for a meatless meal.

Weirton Will Play Host To Kaycee Rally

WEIRTON — The 64th annual state convention of the Knights of Columbus will be held here May 14 and 15, it was announced today by the convention chairman, Earl Beaumont of Weirton, past state deputy of West Virginia. The Msgr. D. P. Murphy Council of Weirton will be the host council.

Master Michael Pretera of Huntington will conduct the annual meeting of the Fourth Degree Assembly of West Virginia during the convention.

Registration of delegates is scheduled for Saturday morning, May 14, and will be followed by a two-day program of activities. A social hour will precede the banquet scheduled

for 7 p. m. Saturday, after which the orchestra of Russ Romero will provide music for dancing. The convention Mass will be celebrated by The Most Rev. Joseph H. Hodges, bishop of Wheeling, at 8 a.m. Sunday at St. Joseph the Worker Church. Breakfast will follow in the council home on the Cove Rd. A complete program also is being arranged for the wives of the delegates to the convention. A highlight of this program will be a bus tour on Saturday to a shopping center in Pittsburgh.

Hints from Heloise

— By Heloise Cruse —

Dear Heloise: This is for all women who wash canvas or tennis shoes, and complain that they shrink:

I have found that if I insert shoe trees into the wet shoes and let them dry on the shoe trees, the shrinkage problem is ended.

Most shoes trees are adjustable, can be used for years, and usually cost less than a dollar a pair.

A cheap price to end the complaints! MRS. DEAN DARBE.

Most people have shoe trees for dress shoes, so can just borrow a pair to dry the tennis shoes. Also, it puts the tennis shoes back in proper shape. Great idea! HELOISE.

DEAR HELOISE: I sew a strip of unbleached muslin on each side of my mattress pads, then tuck the piece of muslin under the mattress.

This keeps the pad smooth, instead of wrinkling or bunching up under the sheets at night. MRS. C. E. HOLMES.

DEAR HELOISE: Recently I was entertaining and forgot to buy tallies. I took the pinking shears

and cut some from old Christmas cards.

Since then all the girls are doing the same thing, and we find the tallies most interesting and quite a topic of conversation.

Saves money, too! MRS. HOLLACE JONES.

LETTER OF LAUGHTER

DEAR HELOISE: I don't sit and drink coffee with the women in my neighborhood for two reasons. . . . I don't care for coffee, and I'm a teen ager! MARTHA.

DEAR HELOISE: Most cooks know that vinegar will help tenderize the tougher cuts of meat (those used for stew, pot roast, Swiss steak, soup, etc.) but do they realize that the acid in tomatoes also will help make meat tender when cooking it. SALLY KERR.

She's right, gals! And those tomatoes add extra flavor, too! HELOISE.

DEAR HELOISE: I read in your column about a holder for soiled silverware, and thought I'd like one, too.

I made one out of an empty, plastic bleach bottle. After cutting away all the neck except

that around the handle, I painted it to match my dishes.

Then I filled it with soapy water and set it on the cabinet where I work most often.

The handle lets me rinse the silverware in hot water without burning my hands. MARY WILSON.

DEAR HELOISE: I have my own little tool kit hanging on the laundry wall.

It is a small board with some nails driven into it and holds a hammer, screw driver and pliers and it stays in our laundry room. What a dream—when I want to drive a nail or tighten a screw, I don't have to look for tools . . . got my own! LILLIAN.

DEAR HELOISE: The idea for enclosing money or small articles in a letter (by turning up one corner of the letter; putting the coin inside then taping it closed) was fine.

May I add: Be sure the folded corner (or heavy part of the letter) is in the opposite end of the envelope from the stamp, to avoid possible tearing of the envelope when it is going through the stamping machine at the Post Office. POSTMAN'S MOTHER.

Japan Dismisses Red Charges Of U.S. Kidnap Bid

TOKYO (AP) — The Japanese foreign ministry today dismissed Soviet charges that American intelligence agents had tried to kidnap a Soviet diplomat in Tokyo.

The Japanese said the Soviet had been involved in a fight with two Americans and a Colombian, not a kidnaping attempt.

The Americans and the Colombian were not identified, but one report said they were tourists.

A foreign ministry official said the Soviets had not made a formal complaint to the Japanese government. He indicated the government planned no action unless it got a request from Moscow.

The Soviet government complained to the U. S. Embassy in Moscow Wednesday that "American intelligence agencies" had tried to kidnap Georgy Pokrovsky, first secretary of the Soviet Embassy in Tokyo.

Payment Of \$204,82 Urged For Ohio Man

JEFFERSON, Ohio (AP)—A U. S. official says he has recommended that an Ashtabula County man be paid \$204,822 by the federal government for an anti-blackout system he devised 24 years ago.

Commissioner Donald E. Lane of the U. S. Court of Claims said Wednesday that he has recommended the payment to Charles W. Coakwell of Andover. Lane said he thinks the U. S. Government infringed on Coakwell's patent rights when the inventor's "anti-blackout suits" were used by fighter pilots in World War II.

TURF AERATOR

- Simultaneous slicing and combing — the beneficial action of two machines in one.
- Clears away surface debris and unwanted vegetation.
- Opens up turf for better penetration of air water and fertilizer.
- Slices and grooves the soil, ideal preparation for re-seeding.

What is AERATION? IT is the removal of matted grass clippings and other debris harmful to healthy lawns. Now with a new power rake, it is possible to completely aerate a lawn. In one operation the grass is freed of dead matting with no damage to the living grass. In addition it provides better lodging for grass seed, and better penetration of water and fertilizers.

NO WONDER SATURDAY NIGHT WAS OFTEN ENOUGH!

Fifty years ago, it really wasn't much fun to take a bath . . . especially when you had to chop wood and heat the water on the old cookstove. But, thanks to low-cost electricity, today's bath-time is anytime. An electric water heater is just one of dozens of electric appliances that have made household chores easier, safer, and more convenient.

Nothing you can buy gives you more value per dollar than your electric service.

Faulty Circuit 'Blacks Out' OSU Campus

COLUMBUS, Ohio (AP)—"Long Day's Journey into Night," scheduled as a play at Ohio State University Wednesday night, took the real-life form of a power failure that blacked out the campus for 2½ hours.

A substitution circuit breaker went haywire shortly after dark, sending a surge of electricity through a power line that was too much for it to handle.

University Hospital, the Student Union, the library and University Hall where the University Theater was getting set to perform Eugene O'Neill's "Long Journey . . ." were key spots affected.

Television station WLWC, northwest of OSU, was off the air about an hour.

The campus daily newspaper did much of the work on its Thursday morning by candlelight before the lights came back on after 9:15 a.m.

The big hospital switched to auxiliary power for necessary purposes. There was some confusion and commotion in the lobby, however, as visitors weren't permitted to see patients during the lights-out.

The Student Union was evacuated and many collegians crossed North High Street, where power was okay on the other side, to resume their studies by porchlight or streetlight. Tavern business perked up too.

Library personnel with flashlights guided many students out of that building.

As for the play, it turned into a community sing with the cast leading a crowd of 800. Only occasional flashlight beams pierced the auditorium darkness.

Students wandered the darkened Oval, the main campus area, after night classes had to be called off.

Dormitories full of students were blacked out, and at least one instance was reported of some stuck on an elevator.

Pickets Leave, Workers Return To Armco Jobs

ASHLAND, Ky. (AP)—Picket lines were withdrawn today at the strikebound Ashland plant of Armco Steel Corp., and workers started returning to their jobs.

There was no immediate indication when the plant would resume full production but Armco said a statement would be issued later today.

These developments came after a ruling that Boyd Circuit Court had the power to enforce an order to ban picketing at the plant. The strike, which idled 3,900 members of local 1865 of the Steelworkers Union, began April 3 after suspension of a worker in the blast furnace section.

Both the company and union had called for the workers to return.

Armco sued in the state court to end picketing and counsel for the strikers sought to have U.S. district court take jurisdiction. But, federal judge Bernard Moynahan ruled Wednesday it was a matter for the state court (Circuit Court) to decide.

Meanwhile, a spokesman for a group called the Loyal Volunteers of Local 1865 planned to meet today to consider the impact of the ruling. The intra union squabble still must be decided.

Youngstown Woman Heads State Group

CLEVELAND (AP)—Mrs. Benjamin Roth of Youngstown was elected president of the Ohio Federation of Women's Clubs. At the federation's meeting here Wednesday to succeed Mrs. William B. Murray of Wellington.

Others elected were: Mrs. Donald Dornier of Georgetown, first vice president; Mrs. Harry Van Kirk Jr., Blacklick, third

vice president; Mrs. R. H. Helle, Columbus, secretary; Mrs. O. W. Davis, Nelsonville, treasurer; Mrs. Robert Ernst, Port Clinton, director of juniors, and Mrs. Gordon Roth, Gallipolis, assistant director of juniors.

Saxbe Makes Pitch For Ohio Policemen

SPRINGFIELD, Ohio (AP)—Atty. Gen. William B. Saxbe, calling crime "the greatest threat that exists to our enjoyment of this country," made a pitch for better pay and working conditions for police officers Wednesday night.

"We cannot be sure of walking unmolested on our own streets," Saxbe said. "You can't do it in Washington, you can't

do it in New York and you can't do it in Springfield," he told 125 persons at a reception in his honor. "There has got to be more respect and pay for policemen," he added.

Man Electrocuted

CLEVELAND (AP)—Frank J. Gilles, 49, Cleveland Heights electrician, apparently was electrocuted Wednesday while installing a dishwasher in a Brecksville home, police said.

Boy, 13, Sought Who Fired At Policeman

CINCINNATI (AP)—Police in northern Hamilton County early today were hunting a 13-year-old boy who allegedly fired three shots at a Springdale policeman.

Springdale Police Chief Don Stemen said Patrolman Jeff Herman arrested the youth for shoplifting at a shopping center discount store. While Herman and the boy were on the

way to the cruiser, the boy pulled out a pistol, Stemen said. The chief said the youth fled after firing three shots. Herman was not injured.

Warren Fire Levels Two Business Places

WARREN, Ohio (AP)—A fire which swept through two business establishments Wednesday night was brought under control early today after burning several hours.

A fire department dispatcher said the fire destroyed a radio-television repair shop and an indoor golf course — both of which are in a former bowling alley.

At Westgate On Saturday

Civic Music Windup Set

The final concert of the season of the Tri-State Civic Music Association will be presented Saturday at 8:15 p. m. at Westgate School, with Bernard Izzo, baritone, and Dorothy Cotthran, soprano, appearing "In Operetta Time."

A native of Rochester, N. Y., Izzo received his bachelor of music degree from Heidelberg College, Tiffin, and the master of music degree from the American Conservatory in Chicago, where he is now a member of the faculty.

While serving with the infantry in the Pacific Theater during World War II, he had his own radio program, "Studio Concert," over the Armed Forces Network, broadcast from Osaka, Japan. Since then he has made more than 300 radio and television broadcasts, including "Chicago Theater," "Club Time" and "Garroway at Large."

Associated with the Lyric Opera Co. of Chicago, he also has appeared with many leading choral organizations, including the Apollo Musical and the Swedish Choral Club. He also

BERNARD IZZO

DOROTHY COTHRAN

has appeared with the Chicago and Indianapolis Symphonies.

MISS COTHRAN began her professional career with a featured appearance on Fred Allen's "Texaco Show." This was followed by a part in "Bloomer Girl" on Broadway. She then participated in a transcontinental tour, ending with an engagement at the New York City

Center. She has also toured with USO camp shows in Europe.

She was born in Gasport, N. Y., of American-Scottish parentage. Trained from an early age in piano and voice, she was graduated from Cornell University and pursued her musical career in New York City and Chicago, where she now lives. She is married and has three children.

Ohio Couple Faces Problem Of Cost To Keep Girl Alive

NEW PHILADELPHIA, Ohio (AP)—A young couple here is faced with the thought that their 15-month-old daughter may die soon from a disease that doctors have been unable to cure and the problem of paying for oxygen to keep her alive.

The child, Jennie Lucille Murray, can be out of an oxygen tent only three hours a day.

Her parents, Robert and Inez, were told that she was normal when she was born Jan. 24, 1965, but two weeks later she developed a lung deficiency that makes her unable to get sufficient oxygen from the air to keep her alive.

Doctors treated her at home at the beginning, but from the time she was nine weeks old until last Oct. 21 she was in and out of Aultman Hospital at Canton and Cleveland Clinic Hospital. Doctors finally agreed that only an oxygen tent would save her.

The Murrays live in a trailer, which gives them little room, what with the crib, oxygen tent and flasks and all. But that is the least of their worries.

The oxygen required for Jennie costs \$100 a week and the machine that administers it takes another \$50 a month. Medicine runs from \$40 to \$60 a month. The New Philadelphia Rotary Club is paying for the oxygen and medicine.

Murray works parttime in a bottling plant for \$50 a week.

The state Crippled Children's service in Columbus paid the

bill until March 22, when the payments were stopped because the baby's disease was called incurable.

"I wish it weren't this way," said Dr. Elizabeth R. Alpin of the service. "But as soon as a doctor says a case is hopeless, we must stop payments."

Dr. Alpin and the Murrays said the state service paid about \$6,000 toward Jennie's care in eight months.

Dr. R. D. Mercer of Cleveland Clinic said there was no hope of survival for Jennie. He diagnosed the disease as "probable familial fibrocystic pulmonary dysplasia."

Dr. Mercer said the disease is very rare and its cause and cure are unknown, adding that he had never seen nor heard of an identical case.

The Murrays had a son, Kenneth, born Sept. 1, 1964. He was normal at birth, but developed a similar disease when he was four months old and died at the age of eight months.

Donald Zimmerman, president of the Rotary Club said the club had agreed to underwrite the cost of Jennie's care at least until June 1 through a special Crippled Children's fund it operates.

"After that we can't be sure but we'll try to find funds elsewhere," he added.

Even if the club solves the cost problem from here on in, the Murrays still face the problem of paying \$2,500 in medical bills accumulated before state aid became available to them.

Group Advances Plan To Improve Sunnyside Area

Plans for a neighborhood improvement and cleanup drive in May were advanced Wednesday night when the Sunnyside Improvement Committee met at the home of James H. Grafton of 1039 Edgewood Ave., chairman.

The committee approved plans for distribution of a letter to all residents of the area pointing out their individual responsibilities in the cleanup.

The Sunnyside improvement area will cover the territory from the west side of the Freeway to the first bend on the Lisbon St. grade and from W. 8th St. to Hazel St. The committee will canvass the area and take a list of suggested improvements to the next meeting Tuesday, April 26. All residents of the area will be requested to attend the next session.

Plans also were discussed for formation of a women's committee to assist in the drive. Ben Weber was appointed secretary of the committee. Also attending were Frank Dales, Jack Bonner, acting health commissioner, Clarence Moore, William Watkin, Mike Winters and Charles Dyer.

Bell Will Speak

SUMMITVILLE — County Auditor Kenneth Bell will be guest speaker during the meeting of the Women's Civic Club tonight at 8:30 at the home of Mrs. Lewis McCollough.

Over 8 million Americans are now buying U.S. savings "E" via payroll savings plans.

Plans Are Set On 'Law Day'

Plans are being completed for the local and national observance of "Law Day USA" on Monday, May 2. Municipal Judge Samuel M. Chertoff said today.

The judge will direct the local observance and also will have a role in the national program as president of the North American Judges Association. He has appointed Municipal Judge Joseph Zingales of Bedford to take overall charge of the observance being set up by NAJA.

High school students and the general public will be invited to attend sessions of the local court on May 2. Lawrence W. Smith, as president of the County Bar Association, will be asked to make a brief speech. Following the court session, questions will be invited from the audience.

Mayor George E. Willshaw expects to issue a proclamation calling attention to the local observance. The program is observed nationally each year under a joint congressional reso-

Local Man Faces Weapons Charge

Municipal Judge Samuel M. Chertoff today set a preliminary hearing Tuesday at 9 a. m. for Wilbert O. Berry, 21, of E. 4th St., arrested this morning outside an East End home on a charge of carrying a concealed weapon.

Police said Berry was taken into custody at 6:34 a. m. at the Erie St. home of his parents-in-law by Patrolmen Jack Strobel, Ronald Brookes and Dwight Garvey. The officers said a loaded .22-caliber revolver was found in his hip pocket.

The officers said they were summoned to investigate a report a man was hammering on the door at the Erie St. residence.

The judge granted Berry a continuance to allow him to obtain counsel. The judge said he would not accept a plea from the defendant until he has counsel, pointing out the charge is a felony. Berry's appearance bond was set at \$1,000.

NBC Films Armed Forces Report

The eight commands of Army, Navy and Air Force under the U.S. Joint Chiefs of Staff are being filmed around the world—from Washington to Europe and South-east Asia, and from the Panama Canal Zone to Alaska—in a global survey by NBC News.

The result will be tele-cast in color as an hour NBC-TV special report on the nation's military might May 20, the eve of Armed Forces Day.

FILMING for "Anatomy of Defense" began March 28 and will continue through May 1. Eleven crews of five men each are shooting under Chet Hogan, the network's instant hard news producer.

The program is being produced in cooperation with the Department of Defense (DOD), but a network spokesman said about only 1 per cent of DOD film will be used to show scenes otherwise extraordinarily difficult to obtain.

Defense Secretary Robert McNamara and the Joint Chiefs will appear on the program, which will be narrated by Sander Vanocur.

NBC said the story, organization and role of each command—European, Pacific, Continental Air Defense, Strategic Air, Alaskan, Strike, Southern and Atlantic—will be explained in the over-all picture of American defense.

TWO ABC-TV SERIES, set for the fall, still are searching for stars to light their way.

"Green Hornet," a further development of the "Batman" craze, and "Shane," a television of the hit movie of the 1950s, are without leading men now in April, although the finished product is expected to appear on the screen in September.

"The situation is somewhat unusual," said Leonard Goldberg, ABC-TV programming vice president. "But the right guy with just the right star quality is tough to find."

A relative unknown, like Adam West for "Batman," is being sought for "Green Hornet," Goldberg said, but names are being considered for "Shane."

LEADING candidate for the cowboy role is David Carradine, now starring on Broadway as the Inca god king in Peter Schaffer's "Royal Hunt of the Sun." Hollywood tests are being held for the new comic book lead.

"What is unusual is that both programs were accepted without pilots," Goldberg said. "But Bill Dozier, who did 'Batman' for us, brought in the idea of 'Green Hornet' and that was enough for us. We did read two scripts on 'Shane.'"

Herbert Brodtkin is executive producer of "Shane." His firm,

Plautus Productions, has set up operations on a Paramount lot under producer David Shaw. The story department will remain in Brodtkin's New York headquarters.

IN SHORT... "Alice in Wonderland," "Batman" (Wednesday, Red Skelton, "The Man from U.N.C.L.E." The Thursday Night Movie ("Gidget Goes Hawaiian"), "Peyton Place" (Monday), "L. U. C. Y." "Batman" (Thursday), "Bonanza" and the Barbra Streisand special were the top 10 of the 30-market Nielsen report for the week ending April 3.

Record Income, Sales Reported By Westinghouse

PITTSBURGH (AP)—Record first quarter net income of \$27,986,000 and sales of \$592,341,000 have been announced by Westinghouse Electric Corp.

President D.C. Burnham said Wednesday net income was 21 per cent above the \$21,102,000 for a corresponding period last year, while sales were nine per cent higher than sales totaling \$542,314,000 a year ago.

The increased net income raised common stock dividends from 62 cents to 75 cents per share.

Burnham said first quarter sales billed, new orders and unfilled orders through March 31 also constituted new records.

The increased net income was up for the eighth consecutive quarter over earnings of corresponding periods a year earlier. Burnham also reported a 27 per cent increase in orders over last year and gains in all of the firm's product groups in volume of new business accepted for the first quarter.

2 Garbage Collectors File Macing Charges

PITTSBURGH (AP)—Two garbage collectors in nearby McKees Rocks have filed charges of macing against the street commissioner there.

Syte Heagans of Hays Manor and James W. Apitsch of Uanss Village, contend that constable and borough street commissioner John G. Rehtorik fired them because they refused to sell tickets to an annual boxing show backed by McKees Rocks Mayor David Hersman.

Profits of the show are used to buy borough police uniforms and for the Democratic Party, they said.

Rehtorik posted \$2,500 bond during his arraignment Wednesday. A hearing is scheduled for April 19.

Stock Action Taken

PITTSBURGH — At the annual stockholders' meeting of H. K. Porter Co., Inc. approval was voted to amend Article Fourth of the company's certificate of incorporation to provide for the authorization of a new class of 400,000 shares of cumulative preferred stock of the par value of \$5 per share ranking as to dividends and assets after the 4½ per cent cumulative preferred stock and 5½ per cent cumulative sinking fund preference stock of the company and to provide for an increase in the authorized shares of the common stock of the par value of \$5 per share of the company from 1,500,000 to 3,000,000 shares.

Delays Sentencing

COLUMBUS, Ohio (AP)—Federal Judge Mell Underwood has postponed sentencing pending a probation report on John R. Knisley, 62, of Bainbridge, who pleaded guilty Wednesday of possessing counterfeit money.

Bringing Up A Family

By Dr. GARRY MYERS

Proper Method For Studying Spelling

Suppose your child has a list of ten words which he is supposed to learn to spell this evening. Suppose that the first three words of the list are onion, busy and women.

How does he attack this whole list? Almost as surely as night follows day, he looks at the first word, Dr. Garry Myers word, pronounces it, and names the letters in it in the right order. Then he may look away and try to spell the word from memory. Often, he will spell it wrong then, having spelled this word only once while looking at it.

Whether your child spells the word right or wrong on the self-trial, he almost surely will hurry to the next word, doing it as he had done the first word. On down the list he goes, not being sure he has mastered one word before he attacks the next word.

HAVING thus attacked all ten words he starts again and does the same for the whole list. After he thus goes over the entire list a few more times he may ask a parent to pronounce the list for him, when he is pretty sure to spell some of them wrong.

I watched my own three children when they were in the grades and they all did it this way till otherwise directed. Some years ago I observed scores and scores of teachers teaching children to spell lists of words.

Often the teacher wrote the list on the blackboard, having the whole class or individual members pronounce the first word, maybe giving its meaning, spell it once while looking at it, then try himself out, perhaps, but surely going to the next word before he or many of the rest of the class had mastered the spelling of the first one.

Naturally any child may find it more interesting to hurry on to the next word and the next instead of repeating the pronunciation and spelling of each word while looking at it.

I'VE LONG wished to observe in a classroom where the teacher had the child or children dwell on one word, pronouncing and spelling it while looking carefully at it.

5 Flags Given To City By Veterans' Council

The Veterans City Council Wednesday presented Safety Service Director Robert E. Vodrey with five flags for use on municipal property.

The flags were turned over to the director during a ceremony at City Hall by James Cregar, president, and John Ruhe, Americanism chairman, of the veterans' unit. There are two 3-x-5-foot flags for use of the fire department, two 5-x-8-foot flags for City Hall and a 4-x-6 emblem for use on the pole in the Diamond.

Meanwhile, Cregar said the veterans' group will meet tonight at 8 at City Hall to continue planning for the annual Memorial Day observance. He said all member organizations should send representatives.

69 Flee Church Home Blaze In Pittsburgh

PITTSBURGH (AP)—A three-alarm fire broke out Wednesday at the Episcopal Church Home in Pittsburgh's Lawrenceville section, forcing the evacuation of 69 women residents.

Miss Nellie Byford, 85, in whose third floor room the blaze began, was rescued by firemen and taken to St. Margaret's Hospital. She sustained face, neck and arm burns.

Nurses led the other women, six of them bedridden, safely out of the 75-year-old building. The cause of the blaze was not learned immediately. Deputy Fire Chief William Martin placed the damage estimate at \$5,000.

Ex-Convict Charged With Armed Robbery

PITTSBURGH (AP)—An ex-convict arrested following the \$203 holdup of a Pittsburgh supermarket Wednesday has been charged with armed robbery.

Being held for arraignment is Jesroe Wilson, 43, of Pittsburgh, along with Percy C. Sewell, 31, of nearby Braddock. Sewell, found waiting in a car, was charged with being an accessory before and after an armed robbery.

All the money taken from the supermarket in the city's Garfield section was recovered.

Local Man Wins Promotion With Army's Reserve

Thomas Blaine Miller of 3270 Harriet St. has been commissioned an Army Reserve second lieutenant in a ceremony held at the Steubenville Armory.

Lt. Miller, who is a member of Co. B, 4th Tank Battalion, 67th Armor, served as a sergeant until his present promotion. Prior to his assignment to Co. B, he served with Co. A, 7th Tank, 68th Armor, 83 Division here.

He received his commission through active participation in the reserves and completion of an Army extension course. He was recommended for the commission by his commanding officer "for his initiative, leadership and devotion to duty."

Lt. Miller served six months active duty at Ft. Knox, Ky., in 1961. He has been a mem-

ber of the active Reserve for five years.

He is employed as an electrician with the Midland Works of the Crucible Steel Co. He is married and is the father of a daughter.

Pirates Make It 2 Straight; Koufax Chased In Debut

Houston Defeats Los Angeles, 7-6

By MURRAY CHASS
Associated Press Sports Writer
Sandy Koufax must have had stage fright. What else could account for his fumbling performance in his first start of the 1966 baseball season.

Koufax, who ended his 32-day holdout and his movie career at the same time two weeks ago, was battered from the mound in the fourth inning Wednesday night in Houston's 7-6 victory over Los Angeles.

The brilliant left-hander glittered in the first inning, but there was nothing award-winning about his performance after that. He gave up five runs on five hits and two walks and was around long enough only to pitch to one batter in the fourth inning.

Although Koufax encountered such games last season — however rare — he never made an error. He did against the Astros, though, and that's what led him off the stage.

After Sonny Jackson beat out an infield single with one out in the third inning, Jim Wynn grounded to the mound. Koufax fumbled the ball for an error, and the Astros had two runners on.

Dave Nicholson struck out for what would have been the third out, but Bob Aspromonte singled for one run and Joe Morgan clouted a homer for three more.

Koufax finally retired the side only to have John Bateman lead off the next inning with a triple and retire Koufax.

The Dodger ace, who last year won his first start plus 25 more, thus departed with a fielding average of .000, a mere 1,000 points below his showing in 1965 when he accepted 46 chances flawlessly.

The Dodgers will settle for a little more flawless pitching. In other National League games, Pittsburgh whipped Atlanta 6-0, San Francisco defeated Chicago 4-0 and Philadelphia nipped St. Louis 3-2 in 12 innings. Rain washed out New York at Cincinnati for the third straight day.

In the American League, Baltimore crushed Boston 8-1 and Minnesota trimmed Kansas City 5-3. Rain took care of the Cleveland-Washington and Detroit-New York games.

Hawks Tie Playoff Series, Deciding Game Set Friday

By MIKE RECHT
Associated Press Sports Writer
ST. LOUIS (AP) — If there were any disappointed St. Louis Hawks after Wednesday night's rousing 131-127 victory over the Los Angeles Lakers, it probably was Bill Bridges. He kept moaning about the rebound shortage. "I can't believe I got only 11," he said.

But the way the Western Division playoffs of the National Basketball Association heated up the reason was clear. Almost everything that went up, went in.

To prolong the best-of-seven series to a seventh game, the Hawks had to overcome the Lakers' 50.5 per cent shooting from the field with 52.5 per cent of their own. Their shooting forced the teams' return to Los Angeles for the deciding game Friday night. The winner will meet the Boston Celtics for the NBA title.

"There weren't many baskets given away," said Hawks' Coach Richie Guerin, who hit eight of 16 himself, "although you wouldn't think so from the score."

Laker Coach Fred Schaus agreed. "I was disgusted after we lost Sunday," he said, "but I thought we played well in this game. We made the Hawks take the shots we wanted them to take, but they hit them. They're not usually an outcourt shooting team."

"I told my boys at the quarter and again at the half that the Lakers are shooting the heck out of the basket, but couldn't keep that up," Guerin said. His club managed a 36-36 first quarter and a 69-68 halftime lead, although the Lakers shot better than 60 per cent and the Hawks "only" 56 per cent.

The torrid pace continued in the third period with the Hawks still ahead by one, but Guerin

Auto Supply Opens With Easy Victory

The field in the Wellsville Jaycee Basketball Tournament was shaved to eight teams Wednesday night with the survivors battling for semi-final berths on tonight's four game card.

Auto Body Supply of East Liverpool successfully opened defense of its crown Wednesday night by disposing of the Polish A. C. of Steubenville.

TONIGHT'S action gets underway at 6 with Uncle Pete's, a strong pre-tourney favorite, meeting World Book No. 2. The 7:30 game pits, Beale Battery of Salem against Gossney Insurance of Columbiana.

In the 9 o'clock game, Friendly Bowling, a surprise winner last night, faces a strong Dreamland team of Martins Ferry while the finale at 10:30 sends Auto Body against Weirton DAV.

With semi-finals Friday night, the championship and consolation games will be held Saturday.

AUTO BODY Supply had little trouble in its opening victory, even though the defending champs were not at full strength. Rex Leach, ex-Bowling Green standout, whipped in 26 points and Red Jones, former Little All-American from Youngstown U. added 21 for Auto Body.

The East Liverpool entry will have Gary Ward and Neil Bratton of Maryland U. in the lineup Friday night. Nurzyk paced the Polish A. C. with eight points.

FRIENDLY Bowling surprised the Hot Dog Shoppe 61-60 when Joe Anderson dropped in a foul shot with only a few seconds remaining. Wayne Cline dropped in 19 points while John Watson added 18 for the winners.

Nick Pollotta scored 23 points for the Hot Dog Shoppe. Beale Battery of Salem joined the quarter-final ranks with a 58-49 victory over World Book No. 1. Thorne paced the Salem five with 15 while Bink Washington added 14.

IN THE faculty division, East Liverpool and Columbiana advanced to the finals. The two will square off for the title Friday at 8:15 p. m.

East Liverpool scored a 66-62 win over Stanton Local with Jim Potts scoring 19 points for the Potters while Leedy and Howard Gilger shared honors with 17 each in a losing cause.

Columbiana ripped Wellsville, 73-53, as Hutton poured in 36 points for the winners. Ray (Pick) Rolley paced Wellsville with 22.

CIRCUIT JUDGE Elmer Roller (right) talks to Wisconsin Attorney General Bronson LaFollette after coming out of his chambers and ruling that the Braves be returned to Milwaukee for this season unless the National League agrees to expand to include Milwaukee in 1967. (UPI Telephoto)

Judge Says Get New Team Or Braves Must Go Back

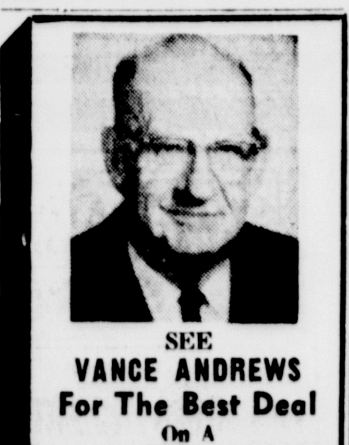

MILWAUKEE, Wis. (AP) — Baseball today faced a May 16 deadline set by a Circuit Court judge who says either Milwaukee must get a new team for 1967 by that date or the Braves must return to Wisconsin.

Judge Elmer W. Roller ruled Wednesday night that the National League had violated Wisconsin's antitrust laws by allowing the Braves to move to Atlanta.

Calvin Griffith, owner of the Minnesota Twins, said "there are so many facets to this thing, that it's pretty hard to say this is the end of it. It most likely will finally end up in the United States Supreme Court."

Judge Roller's decision called "the refusal of the National League and the failure of the American League to issue a franchise to Milwaukee County was a concerted refusal to deal in restraint of trade and commerce within Milwaukee County."

"The Braves shall be, and they are hereby restrained and enjoined from playing the home championship schedule of the Braves in any city or place other than in the county of Milwaukee."

SEE VANCE ANDREWS For The Best Deal On A PLYMOUTH WAGON At East Liverpool CENTRAL SERVICE FU 6-5670

But the jurist left a way for baseball by ruling that his decision would be stayed if the defendants submit a written plan for expansion by noon, May 16, that would give Milwaukee a major-league team for 1967.

The 176-page decision also called for \$55,000 fines against the defendants — \$5,000 against each of the 10 teams and \$5,000 against the National League — and also orders them to pay costs for the 38-day trial and the months of preliminary maneuvers.

Most baseball executives greeted the decision with a "No comment," but Los Angeles Dodger owner Walter O'Malley was quoted by the Milwaukee Sentinel as saying: "It seems

utterly impossible to comply with the court's decision."

The suit, brought by Wisconsin under the state's so-called longtime Sherman Act, had attracted nationwide attention because it challenged baseball's longtime immunity from antitrust legislation.

Baseball's defense was built around a 1922 Supreme Court decision that found the game was not involved in interstate commerce and hence not subject to regulations, such as antitrust statutes, that govern business.

Warren B. Gelman, 20, of Buffalo, N. Y., will captain Yale's 1966-67 hockey team. He's only 140 pounds and 5-feet-6.

EL PASO, Tex. (AP) — Texas Western Football Coach Bobby Dobbs was back in El Paso today after a two-day visit to West Point. But whether he will fill the vacancy at Army remained a secret.

"If he is in El Paso," Texas Western athletic director George McCarty said Wednesday night, "we're going to get some kind of answer Thursday I'm sure."

Dobbs, who has four years to go on his contract at the El Paso school, is considered the leading candidate for the Army job which Paul Dietzel gave up to become coach and athletic director at South Carolina.

Robinson Boys Keep Birds Flying

Oliva's Home Run Gives Twins 5-3 Victory

By HAL BOCK

Associated Press Sports Writer

Baltimore is doing the Robinson Rock, a swinging new step that could make a lot of American League pitchers look like monkeys before this season is over. It's really a simple step. First Frank Robinson works over an opposing pitcher. If the hurler still shows any signs of fight, Brooks Robinson steps in and finishes the job.

The Robinson boys continued their steady tattoo against the Boston Red Sox Wednesday as the Orioles completed a two-game sweep 8-1. In the only other American League game played, Minnesota used an eighth inning home run by Tony Oliva to get past Kansas City 5-3.

Rain and cold weather postponed Cleveland's game at Washington and Detroit's date at New York.

The Robinsons practiced their thunder and lightning routine on Dave Morehead after the Red Sox starter had struck out the first two batters he faced. Then Frank pounded his second homer of the season and Brooks followed with his No. 2.

That was enough for Jim Palmer, who limited the Red Sox to five hits and walked a two-run homer of his own in the second. Paul Blair pitched a bases-loaded double for three more runs in the eighth.

The homers brought the Robinsons' two-day haul in Fenway Park to a combined 7-for-18 including four homers and six runs batted in.

Minnesota was trailing Kansas City 3-2 with Athletics' rookie Paul Lindblad working on four shutout innings of relief in the eighth when the Twins rallied.

With two out, Zoilo Versalles singled and moved up on Sandy Valdespino's hit. Then Oliva walked his first homer into the bullpen in right center field, 420 feet away.

Valdespino had connected with a mate aboard for Minnesota's first two runs in the first inning.

Kansas City had taken advantage of some shoddy Minnesota fielding for two runs against starter Camilo Pascual in the fourth. Ken Harrelson singled and came all the way around on Ed Charles' hit when Harmon Killebrew let a throw from the outfield skip past him. Charles then stole third and scored when Earl Battey's throw went into left field.

Eason's Advance To Semi-Finals At Beaver Falls

Eason's Insurance of East Liverpool advanced to the semi-finals of the Beaver Falls Boosters Club tourney with an easy 98-41 victory over Freedom Wednesday night.

Jeff Lake led the local entry with 24 points while Bill Gullock added 21. Harry Thornton and Dick Murray of Wellsville tossed in 12 each for Eason's.

The local five opened the tourney with a 54-47 win over Bonacci of Beaver Falls on Tuesday night.

The semi-finals are scheduled Friday night.

Former Cleveland Indian coach Elmer Valo will manage Dubuque, Iowa in the Midwest League this season.

35th Relays Set Saturday At Mansfield

MANSFIELD, Ohio (AP)—In 1933, a Cleveland East Tech sprint star sped the 100-yard dash in 9.6 seconds and the 220 in 21.2 seconds.

The performances skyrocketed, fabled Jesse Owens into the national spotlight where he was destined later for even greater acclaim, particularly in the Olympics.

Owens' two dash standards, set in the Mansfield Relays, have withstood the furious challenge of literally thousands of scholastic track stars for 33 years.

They'll try again this weekend in the 35th running of the Mansfield classic, and probably come away empty-handed.

Mansfield Malabar's swift 10-lane, rubber-asphalt track gives today's challengers a better shot at the record book but Owens' marks remain the oldest in the meet's history, and the toughest to crack.

Last year, nine records were broken here and in 1964 eight fell by the wayside. If the weather is dry, at least a dozen could crumble under the assault of the almost 2,000 athletes in the competition.

Some 192 teams are entered in the glamorous meet, a record 65 from out of state. The entries come from Ohio, Michigan, Indiana, Pennsylvania, West Virginia and Kentucky and there are 42 runners and jumpers from different parts of Canada.

The four-mile relay Friday afternoon opens the program with 17 events crammed into a four-hour period Saturday afternoon.

Cleveland schools have dominated the Relays in recent years and Glenview nipped East Tech by four points to capture the '65 event.

But East Tech has won here nine times, the most titles for any school, and has finished second on six occasions.

Ironically, the year that Owens set his marks, East Tech finished second with 39 points. Mansfield won the event with 39.50 points.

Junior Editors Quiz on
BUTTERFLIES

QUESTION: What happens in the lives of butterflies and caterpillars?

ANSWER: Many interesting things happen, the most remarkable being a complete change, or metamorphosis. Butterflies eggs are generally laid singly or in groups on the underside of the leaves (1). These leaves serve as food for that queer little creature, the caterpillar, one of which emerges from each egg, looking not at all like their fluttering winged mothers. Caterpillars may seem a bit repulsive, but are most interesting to watch and study. They have heads with chewing mouthparts which can bite into leaves. Underneath are six small legs, and further down a set of false or unjointed legs. Caterpillars have an amusing trick of standing on these and rearing up the front of the body (2). After eating enormously and changing its skin several times, the caterpillar becomes a "pupa" or "chrysalis." A hard case forms around it, generally hanging from a twig or leaf (3). Inside, an amazing change has taken place: the body becomes soft, like cream, and inside this a differently-shaped insect begins to form. Finally, the shell of the pupa cracks and out comes that glorious creature, a butterfly. For a while, the butterfly rejoices us with its brilliant colors; then it lays its eggs, and the cycle begins again.

FOR YOU TO DO: Color our monarch butterfly a rich red orange. And keep an eye open for a pupa hanging from a leaf or twig. Take it inside and watch what happens after awhile.

Cindy Rudder of Rockhill, S. C., wins today's combined prize of Compton's Illustrated Science Dictionary plus \$10 cash for this question. Mail yours on a postcard to Junior Editors in care of The Review.
